

**Industry Expert Session : How to prepare today for tomorrow's jobs:
latest Skills set required and ways to develop them**

Resource Person : Mr. Kapil Dev Singh

Date : 28 April, 2023

Venue : C-003

Resource Person Profile :

Mr Kapil Dev Singh is Head of Recruitments at MetaCube Software Limited . He has over 15 years experience in manpower recruitment and training. He has worked with Cognizant Technologies as well as ICICI Bank .He has been instrumental in strategic sourcing of manpower for MetaCube`s prized projects .

Lecture Highlights :

The speaker initiated the discussion by asking the students about their ambitions and goals in life .He followed the discussion on the expectations that students had from the corporate sector . He briefed the students on the expectations that corporate had from the young interns and how the prospective candidates could meet the expectations .He told the students interns are expected to work a weekly set schedule—10 to 15 hours—at their internship, totaling 150 hours at the end of the semester. He advised the students that it is best to work out a consistent work schedule. He told the students that they are expected to maintain a professional attitude, appearance, and work ethic at all times. Interns and prospective candidates must treat the internship very seriously, as you would with any other important career opportunity or class. Attendance, punctuality, dependability, good judgment, and maintaining a high quality of work are musts. Failure to adhere to these professional standards will result in either a poor/failing grade or in dismissal from an employer.

The session was found to be fruitful by the students as they enjoyed the interaction with the senior professional.
