PREFACE

I have the honour to present the 13th Annual Report of Jagan Nath University, Jaipur for the academic year 2020-21 to the Board of Management of the University. This Report is being submitted under the provisions of Section 39 of the Jagan Nath University, Jaipur, Act, 2008.

Registrar

Professor (Dr.) H L Verma
President

President Message

It gives me immense pleasure to present the Annual Report 2020-21 of Jagan Nath University, Jaipur. The University is committed for achieving excellence in higher education and research with focus on skill development, industry linkages and holistic concerns of life. The academic year 2020-21 has witnessed various achievements in teaching-learning process and pushed through academic reforms inspite of the major discriptions caused by Corona pandemic and lockdown situations.

Quality education has vemained the focus to promote employability, good citizenship and human values among students. The report largely depicts the profiles and activities of the departments of the University and the achievements of the members of the faculty and students.

The academic session 2020-21 began with the conduct of online student induction program. This report gives detailed information about the University strategic intent, academic programs, student activities, plans and so on. During the year, the University has submitted its SSR to NAAC for accreditation (2nd cycle). In the process, various initiatives have been taken to fine-tune the policy docments as well as the implementation of the NEP guidelines. Green audit of the University was conducted through a certified agency. Academic audit reports of the departments were completed with participation of external experts on committees.

The Faculty members have submitted reports of their publications, research projects, participation in seminars/webinars, and consultancy projects handled. The departments have organized webinars during the year, which were attended by students, faculty and outside visiting guests.

The academic session witnessed the implications of COVID pandemic on various activities, but the University could successfully respond to the requirements of the situation through organizing classes, various extra-curricular activities and conduct of examinations using online mode. Overall, the academic session ended with a healthy note having great achievements in academics and research, timely completion of the session and ensuring good placements for the students.

I would like to place on record the contributions of various faculty members and staff in the completion of this annual report.

Date :

Prof. (Dr.) H L Verma

I. THE UNIVERSITY

Jagan Nath University, Jaipur has been established by an Act of the Rajasthan State Legislature (Act No. 19 of 2008) on April 16, 2008. The vision for the University is to develop it as a Centre of Excellence for higher education and research committed towards quality education, skill development, industry integration and holistic eco-system for global competencies among youth and sustainable development of the Nation.

The University has been approved under section 2(f) by the UGC Act, 1956 w.e.f. 04-08-2009, accredited by NAAC (1st Cycle) in 2015 and is also member of the Association of Indian Universities (AIU). All the programs offered by the University are approved by the State Government and relevant regulatory Councils, wherever applicable. The main campus of the University is situated at NH-12, Chaksu Bypass, Tonk Road, at the outskirts of Jaipur city with a fully developed lush green, pollution free and serene environment. The second campus of the University, as approved in the Act, is located at Sitapura, Industrial Area, Jaipur. Both these campuses are well connected by air, rail and road transport.

The University has been promoted by Jagan Nath Gupta Memorial Education Society, a non-profit organization, having a track record of 28 years of excellence in higher education having established institutions in the State of Rajasthan, Delhi, UP and Haryana. JIMS group of institutions are known for quality education maintaining high standards of professional governance.

The University has developed a robust infrastructure consisting of teaching blocks, administrative block, central library, well equipped labs, hostels, IT infrastructure, skill development centre, incubation centre, staff quarters, auditorium, canteen, play grounds, gymnasium, farm research centre, poly house, medical facility and others.

The University is offering UG and PG programs in the areas of Engineering & Technology, Architecture, Management, Law, Agriculture, Physical Sciences, Pharmacy, Physiotherapy and Education. The Ph.D. programs are offered in select disciplines. The outcome based curriculum for the programs are updated and new innovative programs introduced as per the market trends. Well qualified faculty in adequate number is available to implement the academic programs and faculty retention ratio is quite high. During its short span of existence, the University has emerged as a premier institution to inspire, motivate and nurture professional excellence among students and faculty.

The University has taken a number of initiatives to promote quality education in the present globally competitive environment. The CBCS system has been fully operational since 2015, and effective teaching-learning process, industry exposure, skill education integration in curriculum design, holistic education approach, research and project based learning, outcome based assessments, etc. are the main features of academic system of this University. The research journal of the University has received approval from the National Science Library in July, 2020. Further, the salient features of the New Education Policy, 2020 are being implemented from the current session 2021-22, taking the academic system a way ahead in tune with the latest higher education policy framework in the country and requirements of market economy.

During its short existence, the University has had many accomplishments to its credit towards achieving its goals for quality education, research and community engagement. The

University was approved by the UGC under 2(f) in period of just one year of its establishment, got accreditation from NAAC in 2015, approval from various SRAs (CoA, BCI, NCTE and PCI) for programs in respective disciplines, and approval of the UGC, the NSDC and RSLDC for skill development programs. The UGC approval under section 12(B) is in process.

The University has received many awards and appreciations at different forums. To mention a few, the Best Private University with Academic Excellence in Rajasthan award by the World by Achievers consecutively for two years and 9th Rank in Private and Deemed Multidisciplinary University in North Zone award by the Week Magazine in 2018. Institutional Innovation Cell of the University got three stars rating from the MHRD-AICTE for the session 2018-19 and the SWAYAM – NPTEL local chapter approved by IIT, Kanpur.

The University has taken a number of steps to promote social outreach activities through adoption of villages under Unnat Bharat Abhiyan (UBA) scheme and organized various extension activities under this project. The University has established Social Entrepreneurship, Swacchta and Rural Engagement Cell (SEC-REC) approved by Mahatama Gandhi National Council of Rural Education, Ministry of Education, Government of India. The students of various departments organize programs like Legal Aid and Literacy Camp, NSS activities, SUPW camp, digital literacy camp, etc. in adopted villages.

The University has created framework and action plan for improving facilities at campus in the areas of sanitation and hygiene, waste management, vermi-compost plant, water management, energy conservation, plantation for green and sustainable environment and conservation of natural resources. A solar Plant of 200 kw capacity has been installed, Sewerage Treatment and Rain Water Harvesting plants are in place.

The University has signed MoUs with various industrial and professional organizations to promote industry interface, skill education and quality internships and placements. Further, to promote student centric environment, the required policy framework has been put in place by establishing Training and Placement Cell, Guidance and Career Counseling Cell, Anti-Ragging Cell, Gender Sensitization and Sexual Harassment Cell, Student Welfare Cell, Student Grievances Redressal Cell, SC/ST and OBC Cell and Minority Cell. Policy for scholarships and free-ships for students on merit-cum-means basis exist. Alumni Association has been got registered and alumni meetings are organized regularly. The students do participate in various curricular and extra-curricular activities including sports, cultural festivals and celebration of national level festivals.

The academic system of the University is comprehensive, dynamic and vibrant incorporating the latest policy framework of the UGC and Ministry of Education, supported by state-of-the-art infrastructure and extensive use of ICT resources for achieving objectives of quality education, employability, creativity, innovations and human values among learners to produce good citizenship and skilled manpower. The University aspires to be a centre of excellence for higher education in modern context in the years to come.

Landmark Achievements

The University strongly believes in community development. It has been a “Recognized Social Entrepreneurship Swachta and Rural Engagement Cell” (SES REC) Institution. The University

has successfully framed the SES REC Action Plan and constituted ten working groups for improving facilities in the campus and the community /Adopted villages in the areas of sanitation & hygiene, waste management, energy conservation and greenery by Mahatma Gandhi National Council of Level Education, Department of Higher Education, Ministry of Education, Govt. of India. The University has been awarded Best Private University with Academic Excellence in Rajasthan at Iconic Education Summit & Awards, 2019.

Initiatives undertaken in response to Covid-19 pandemic

The academic year 2020-21 was also marred by the outbreak of COVID- 19 Pandemic. The management realized that in its journey of being excellent, distinct and internationally competitive, the University had to fulfill its primary responsibility towards the society. The Management undertook a series of following proactive measures in the interest of the students and local community:

- As per the direction of Hon'ble Chief Minister of Rajasthan dated 13th March, 2020, all the hostels were evacuated by 15th March, 2020 and subsequently all the auxiliary services e.g. housekeeping, security, gardeners, electricians were suspended immediately except for few of them were on duty on rotational basis.
- The mess was instructed to prepare food packets for distribution to the needy and police personnel in the local areas. This service was run twice in the day.
- All the directives received from State Government, Central Government, UGC and other regulatory bodies were shared with all the students and staff members from time to time through e-mail, WhatsApp, University website for necessary compliance.
- All the mentors were instructed to be in touch with their mentees to boost-up their morale and provide them the best possible support in this critical situation. The University also set up a help line number and Live Chat to assist the students during pandemic situation.
- A link in the name 'Covid 19 Updates' was created on the University Website Home Page and all related information was uploaded on that webpage from time to time for the information of all the staff and students at large.
- The Management also offered an infrastructure of 400 beds in the main campus as a Covid -19 Care and Relief centre for patients of Chaksu and nearby villages .The University's medical team was instructed to assist the government and provide all necessary assistance to the team of government doctors.
- The University made provisions for online education to the students. The teaching faculty had been already trained on the Moodle platform and other online platforms for smooth conduction of teaching and learning through subsequent training

workshops. The students were provided academic support through online classes, e-books and online tests. Time to time all the faculty members and students were informed to attend various online webinars to enhance their knowledge.

- The University made special provisions for internship requirement of students. The students were offered virtual internships through tie-ups with the industry.
- By observing the concurrent and probable impact of the pandemic, the management ensured that the final year students had undergone the placement process in the months of Aug. to Feb. The University was able to secure 93.2 percent placement of final year students overall.

Infrastructure

The University has its main campus situated at Chaksu, Jaipur which is in proximity to the Airport and Industrial area on Tonk Road, with all modern education facilities. The University has a satellite campus comprising of 10 acres at Sitapura. The Wi-Fi enabled campus has the state-of-art infrastructure comprising magnificent buildings, environmentally conditioned Administrative Block, Academic Blocks, spacious Class Rooms with internet and intranet connectivity and hi-tech multimedia and audio-visual equipments, well-equipped modern Laboratories, Learning Resource Centre, Auditorium, Seminar Hall, separate hostels for boys and girls with special emphasis on healthy and nutritious diet, Health Centre, Students Centre, Ramps for physically challenged students, sports facilities including Gymnasium and on campus residential facilities for a large number of faculty and staff . Both the campuses have a unique calmness with serene atmosphere and green foliage. The University has planned for a phased expansion of 17.39 hec. of land available in the campus. The Management has also increased the area under green foliage from 58.3 percent to 62.7 percent. The area under polyhouse plantation has been increased by 500 sq.mts. The campus has been secured by installation of 53 CCTV cameras and live footage monitoring by IT Cell. Regular sanitisation exercises are also being included in maintenance of the campus infrastructure.

Library -The Store House of Knowledge

The University Library like all vibrant and productive organizations, strives to keep pace with a global, dynamic and technology-enabled information environment to meet the expectations of its users. The University library during the year continued to march to its mission of facilitating the creation of knowledge through the acquisition, organization and dissemination of library materials. It offered a range of services including reference and consultation, membership and circulation, document delivery, resource sharing, information alert service, user awareness programs, etc.

The library is fully computerized and is located at the main campus in Chaksu with a network extending to Sitapura campus of the University. The central library is housed in an independent spacious building enough to cater not only the existing needs but also accommodates resources and services for future requirements. Our efforts in building and updating the collection continue unabated. Our collection development policy is not constrained by any boundaries and is responsive to the evolving subject areas and demand from curricula.

The Library is well stocked with text books, reference books, national and international periodicals and journals besides many official reports, with reprints. For the benefit of students, a Book Bank with a special collection of prescribed text books is being provided by the library. The library also provides latest research and reference material in print and audio-visual formats along with the facility to refer to e-journals, CDs, Project Reports, Government Publications, Reports and Newsletters, back volumes related to Management, Engineering, Design, Science, Law, Architecture etc. and the allied subjects for the reference of the students and the faculty which help them in strengthening the teaching and learning process.

As a matter of policy, the University pays special attention to not only strengthening the library with additional books and journals, but also to ensure that they are well utilized by the students for their courses as well as to enhance their level of general awareness. Over the years, the library has attained the distinction of being one of the richest University Libraries of the State. In the academic year 2020-21, the library was enriched with 1334 e-books in order to facilitate students and faculty with the conduct of online classroom.

Class Rooms

The spacious and airy classrooms have been designed to propel an enquiry based learning that fosters liberation of mind and eagerness to learn. The Classrooms with internet connectivity are well equipped with Hi-tech multimedia and audio-visual equipments to facilitate effective learning which sets the tone in stimulating discussions. The classrooms are the platforms where the students imbibe the virtues of hard work, discipline, ethical practices and achieve the high standards of excellence in every sphere of life. A total of 13 classrooms have been added to the existing infrastructure. The classrooms are now being upgraded with smart boards. A total of 76 Almirahs have been allocated to the classroom.

Laboratories - Application of Knowledge

The University has well-equipped separate labs for each faculty for teaching and research. Students use resources of the laboratories to solve problems, perform developmental experiments and work on projects. All the labs including technical labs are spacious, comprehensively planned, well equipped with modern gadgets, the state-of-art instruments

and apparatus. Specially trained technicians who are well versed in handling specialized instruments manage the laboratories. All labs undergo routine inspection and maintenance services. Regular sanitization exercise is being carried out in the labs.

ICT Resources

The University has a Computer Center well-equipped with the most advanced computer systems, line printers, laser printers, scanners, CD writers, zip drives etc to facilitate, foster, and support the essential teaching and research goals of University through the deployment and delivery of computing and communication services to the university's faculty, staff and students. The University has 1 GBPS high speed internet bandwidth through NKN. The access to internet and optimal use of Information Technology by all the faculty members and students is ensured by providing around 1000 nodes/internet connection points in various Departments including University Library.

Each Faculty has been provided with a workstation with internet connectivity. All the departments are equipped with computer systems, printers, scanners and LCD Projectors to support the academic and administrative activities. Adequate numbers of general as well as domain specific softwares are available for quality teaching and research.

Hostels: Home away from Home

A hostel is a home away from home. Aware of the needs and requirements of students, who come from far-flung places, the university tries to provide them a safe, secure and affordable accommodation.

The University has five well-furnished hostels separately for boys and girls with a total capacity of 800 inmates. Rooms are spacious, clean, airy and well maintained with attached bathrooms. Each room is fitted with fan, lights and hard furniture - beds, wardrobes, study tables and chairs. Central air-cooling facility is also provided for each room. Round-the-clock power back-up facility is available in the campus. Air-conditioned rooms are also available on request. Solar heaters have been installed for providing hot water. Water purifiers and water coolers are in place and regular maintenance is taken care of these. The mess menu was modified to include lemonade in order to boost the immunity of the students. All rooms in the hostels have Internet connections. The pollution-free environment adds to the healthy living conditions on the campus. Architecturally, the hostels are aesthetically laid out with plenty of open space and a lot of greenery. Each wing of the hostel has verandahs and balconies.

All the hostels have mess facilities at very moderate rates, common hall, TV room, reading rooms, telephone, recreational and sports facilities with a tight security system. The students are allowed to use their own computer in the rooms.

The University takes pains to give its students a neat and clean environment and a comfortable place to live in. There are Wardens and Attendants on duty round the clock. The inmates of a hostel are encouraged to live in harmony, like one big family, helping each other, mutually cooperating to make hostel life a rich and fruitful experience.

Faculty Accommodation

Since teachers belonging to far-off places teach in the University campus, therefore the university has made necessary arrangements for their lodging in the University campus. For this, flats have been constructed for teachers so that they can devote their full time and energy for improving the academic standard of the students. Centrally situated, the teachers' flats are at a walking distance from all departments. With spacious and well ventilated rooms and serene surroundings, the teachers' flats offer ideal living conditions. Pest Control exercises were regularly extended to staff quarters. Regular sanitisation exercises have also been initiated for the staff quarters. Transport facility is also provided for families of staff members.

Sports/ Playgrounds-Area for Growth

Ample sports facilities have been created on the Campus for the all round development of students. This facilitates individuals to imbibe sportsman spirit, develop social values and to be humble in victory and gracious in defeats and a spirit of co-operation, discipline, honesty and integrity. Besides vast playgrounds and several playrooms, the University has facilities for a number of indoor and outdoor games. Students are encouraged to engage in social and cultural activities. Some of the indoor and outdoor facilities available include:

- Multipurpose ground for playing Football, Hockey etc.
- Volley Ball/Basket Ball Court
- A Cricket Ground
- Indoor Games such as Table Tennis, Carom, Chess etc.

The pride we feel looking back into the past of the University sports and its sportsmen, makes us emphatically hopeful of its brighter and shinier future post Covid, a future, that will be full of achievements by individuals and teams representing the University. Earlier we have conducted sports festival and participated in various intra and inter university level competitions. At the Annual Sports Festival, the sports like cricket, football, basketball, volleyball, table tennis, badminton, carom, chess, athletics etc. are organized. Both intramural and extramural competitions are planned in such a way that students are able to participate regularly in games and sports activities throughout the year. All sports equipment undergo routine inspection and maintenance services. Regular sanitization exercise are

carried out. Playground for Kho-Kho and Kabaddi has also been identified and space has been allocated for the same to promote the same.

Gymnasium

A modern spacious Gymnasium offering wide range of physical exercise machines was established to make the students and staff physically fit and agile. The students and staff enthusiastically use the facilities at Gymnasium. All equipments have undergone routine inspection and maintenance services. Regular sanitization exercise has been carried out. Suggestions had been invited and were incorporated for overall development.

Cafeteria

The Cafeteria is a place to relax after long hours of study. Always occupied by students both juniors as well as seniors, the cafeteria has many goodies to offer at affordable prices and open all days. The students carry everlasting memories of the cafeteria when they leave the University. All equipments & furniture have undergone routine inspection and maintenance services. Regular sanitization exercise has been carried out. Suggestions had been invited for enhancement of the facility. The menu has been revised on popular demand to include dishes from the local cuisine.

Shopping Complex

A small shopping complex in the campus is for the benefit of all the students and staff residing in the campus. The shopping complex has all those commodities to offer which one needs in daily life, be it books or toiletries, stationary or grocery. The shopping complex also has a Xerox Machine which comes in handy for the students while preparing notes etc. The Complex opens early in the morning and remains open until late in the night. All furniture there has undergone routine inspection and maintenance services. Regular sanitization exercise has been carried out. Suggestions had been invited for enhancement of the facility.

Auditorium

Construction of an auditorium with a capacity of 500 seats was completed long back. The University has already completed the work of digital projection equipped with the most modern light system, music system, stage control system and eco-proof etc. in the Auditorium.

Transportation

There is a fleet of buses, cars and others to provide uninterrupted transport facility to the students and staff from their residence and back. Students from the adjoining area (within a

radius of 50-60 kms) normally avail the University transport facility. Well maintained cars are being used by the officers of the university and also for picking/dropping the guests visiting the University. All buses and cars have undergone routine inspection and maintenance services. Regular sanitization exercise has been carried out. Suggestions had been invited for improvement. The buses have been upgraded with fastags in compliance with the order received from Ministry of Roadways.

Plants for Water Recycling

The University has three plants for waste water treatment and re-use. The entire waste water after treatment is used for irrigation. We also separate plastics; metals and paper waste at the source itself and prepare it for recycling. Food waste is composted constantly. All plants have undergone routine inspection and maintenance services.

Construction and Maintenance Facilities

The University has a well-developed unit of Works and Plants for undertaking various maintenance works at the University campus. It has three separate wings of electrical, water and construction to take up new work and look after the repair and maintenance of the existing buildings and installations. Suggestions had been invited for improvement.

Special facilities for students of weaker sections, physically handicapped and women

The University has been strictly following the reservation policy in respect of admissions to various courses for SC/ST/OBC/SBC and physically handicapped candidates, appointments to teaching and non-teaching posts, staff quarters, hostels.

The University continues to encourage the women students to join various courses by providing them hostel and other facilities on priority. Since inception of the University, the percentage of women students admitted to various courses has been fairly high. To protect the women from sexual harassment, Internal Complaint Committee is already in operation. The Women Development Cell is working on the University campus for the welfare and empowerment of the women. Jagannath University Balika Shiksha Sambal Yojana is continuing for the benefit of five BPL girl students. The students covered under this scheme are provided free education.

Admission Procedure

The University ensures wide publicity and transparency in admission through advertisement in news-papers, organizing career fairs, contact programmes, personal counseling events, visits to schools and colleges and television announcements. Admission in different programs is merit based as per the rank obtained in the Common Entrance Test or marks obtained in

qualifying examinations followed by GD and interview. The University follows the reservation policy of the Government by allotting seats to all reserved categories, women, sports persons and physically disabled candidates. The high quality of its intake has enabled the University to maintain its commitment to excellence in teaching and research.

The University accepts students from any of the recognized National State Level Entrance Examinations in Engineering, Management, Law, Education, Agriculture & Architecture. The students with valid score card in JEE-Main, MAT, CAT, UJET, NATA, CLAT, PTET, JET etc. are considered provided they fulfill minimum eligibility criteria of the University. The University has been officially enrolled under JEE, MAT examinations for admission to the University.

Human Resource - A Precious Asset

At Jagan Nath University, we pride ourselves in having a team of dedicated, experienced and highly qualified faculty comprising of academicians, researchers, professionals, administrators, consultants and managers who, through motivation, counseling and training, prepare the students to meet the challenges of the modern era. They carry out consultancy assignments to keep in touch with the real life management problems in public and private corporations, financial institutions, national and international organizations. They guide the students to become entrepreneurs, researchers and consultants through their vast experience and focus on the overall growth of the individual.

In addition to the permanent teachers, there is a rich pool of visiting faculty from the best academic institutions and leading professionals from the corporate world with rich industry experience. They encourage the students to look beyond the books and explore the subject with experimental learning.

Teachers are encouraged to adopt alternative teaching methods with more use of ICT tools. The teachers are also encouraged to attend seminars/webinars, conferences, workshop, training programmes for which liberal grant is given by the University. In the academic year 2020-21, the faculty has published a total of 103 research paper in national and international journals and has attended 567 seminars/webinars, conferences and workshops. They have published a total number of 19 books and organized 03 conferences. A total 25 research scholars have successfully completed their Ph.D. degree.

Curriculum

The University adopted the Choice Based Credit System (CBCS) as per guidelines laid down by the UGC from the academic year 2015-16. In CBCS, the academic input is delivered through four types of courses – Core, Elective, Ability Enhancement and Skill Enhancement. Core courses are compulsory for all participants as a requirement to complete the programme in a said discipline of study. The Elective Courses can be chosen from a pool of courses may be

'Discipline Centric/Specific' & Generic Elective. Ability Enhancement Compulsory Courses (AECC) are based upon the content that leads to knowledge enhancement, for example: English Communication, Environment Science/Studies, etc. Skill Enhancement Courses (SEC) provide value based and/or skill based knowledge and may content both Theory and Lab/Training/Field Work. The main purpose of these courses is to provide students life- skills in hands – on mode to increase their employability.

Keeping in view the National and International scenario, the University is actively pursuing continuous updating of teaching curricula, designing courses on emerging areas and identifying research priorities with a focus on the problems and needs of the people.

Summer Internship

In order to retain the focus of the students on the academic programmes and to compliment it with relevant work experience during the two-month long summer break, the University has introduced a scheme of internship to all its students. The main objective is to provide an edge to the students to ensure better placement opportunities for themselves on completion of their degrees. It is also to give them a feel of the work environment in organisations of the type they would possibly be associated in their professional careers. The organisations facilitating internship, cover a broad spectrum of the industry, government, academic institutions, health institutions, NGOs, media etc.

The respective departments, in association with the facilitating organisations, are monitoring the work and regularity of the interns. It is also proposed to take feedback from the students after completion of their internship to increase the effectiveness of the scheme. The University made special provisions for internship requirement of students. During pandemic, the students were offered virtual internships through tie-ups in the industry.

Entrepreneurship Development Cell (EDC)

The University has a well established Entrepreneurship Development Cell (EDC). The major objective of this EDC is to enhance and encourage the entrepreneurial spirit among the young students, and hence creating more job providers rather than job seekers. The Cell not only motivates the necessary knowledge and skill sets to help them to work as entrepreneurial manager rather than a simple traditional manager.

Since, its inception, the EDC is actively engaged in achieving its objectives through several ways like conducting entrepreneurial workshops, exercises, seminars, entrepreneur's talks and many more activities relating to entrepreneurship. Through our initiatives, we are trying to unleash the entrepreneurial potential of our young students and at the same time, we also provide the vital support system to help them in starting their entrepreneurial career. A road map for the establishment of an incubation centre has been approved.

Research and Extension Facilities

The Research Development Centre (RDC), a nodal centre to foster the research activities in various multidisciplinary areas has been established to explore cutting edge high tech research in the frontier areas of engineering, management, law, Information Technology, agriculture, allied health sciences etc..

The University continues to give priority to encourage research and the efforts that have been made in this direction include:

- Identification and appointment of eminent scholars as faculty members.
- Encouraging and providing funds to faculty to undergo advanced training in India and foreign countries.
- Deputing faculty under exchange programmes.
- Encouraging faculty to attend National and International Conferences.
- Institution of Best Researcher awards to deserving teachers.

Corporate Resource Centre

The Corporate Resource Centre has been established to facilitate a larger industry-academia interface in higher education. It is a nodal Centre for faculty, academics, and industry for mutual interaction and research. The Centre focuses on seeking wider industry participation in the academic process particularly in research, course designing, and curricula delivery. It helps and encourages faculty to seek industry assignments and use the same as a source of updating their practical knowledge base. This has also opened up possibilities of bringing real life corporate experience in the interactive teaching-learning in classroom sessions. During the year students were encouraged to participate in conferences organized by different bodies like AIMA, FICCI, CII and ASSOCHAM. The Centre was successful in initiating tie-ups with Internshala & First Naukri to provide industry perspective on its expectations of the recruits.

Orientation Programme

An orientation programme was conducted during November 2-11, 2020 through on-line mode to welcome the new UG and PG students in the academic session 2020-21 of the University. Based on the parameters of UGC Quality Mandate, the University organized 10 days DEEKSHARAMBH-Student Induction Program (SIP) for the newly admitted students during session 2020-21. The detailed programme schedule is attached (Annexure).

During the general orientation, the UG students were given detailed account of the curriculum, academic requirements and policies. The students were given a virtual campus

tour to familiarize them with the facilities and resources available on campus. They met instructors of the first semester courses for briefing. Similar sessions were organized programme-wise for the PG students, with emphasis on the details of the curriculum and the available options with regard to elective courses. Apart from academic orientation, they were also given orientation of hostel life by student volunteers. The newly admitted students were also given library orientation classes to introduce them to the library collection, services and the use of electronic resources.

Personality Development

Personality development is as critical as academic excellence. So, for a structured personality development, students' character traits are analyzed and nurtured accordingly. The University therefore, emphasizes the all-round development of its students. It aims at producing not only good professionals, but also good and worthy citizens of a great country, aiding in its overall progress and development. It endeavors to treat every student as an individual ensuring that s/he receives the best preparation and training to reach to her/his maximum potential for achieving her/his career ambitions and life goals. The faculty also share a keen interest in the students' personality development and help them gain a healthy thirst for knowledge and a determination to succeed, while retaining traditional values of discipline, respect and sincerity in all their endeavors. Each faculty mentors a group of 20 students. The faculty guides each student in their academics as well as personal lives, throughout the duration of their program. The Mentor –Mentee program had been identified as a crucial pillar in execution of the program. The individual program streams had distinctly identified the mentors and allocated mentees based on a preliminary psychological test of the student's. The program was successful in shaping the personality of the students, resulting in 93.2 percent placement of final year students across all disciplines.

Efficient Governance - Strategic Working

Good Governance forms the bedrock of any world-class organization or University. The governance structure at Jagan Nath University is modeled to evolve a system that helps to draw upon the strengths of academic community and industry professionals. From day one, the University has the good fortune to have distinguished personalities as its Presidents who gave direction to the institution in its formative years. These visionaries left no stone unturned in making the institution one of the best in the country.

The University is headed by the Chairperson who remains constantly in touch with the President and advises him on the functioning of the University. The Board of Management, Academic Council, Finance Committee, Board of Studies, Departmental Research Committee, Examination Committee, Library Committee & Admission Committee are the University authorities to regulate and monitor the governance of the University on all academic and

financial matters and also to frame the rules and regulations. The meetings of The Board of Management, Academic Councils and Finance Committee were held regularly as per the schedule approved by the University. The President is supported by Deans of the faculties, Head of the Departments, Registrar, Controller of Examinations, Chief Finance and Accounts Officer and other officers and staff. The University followed an academic calendar of events. However, in the current academic year, the calendar was revised to accommodate online activities in view of the COVID-19 Pandemic. The University ensures the implementation of reservation and other educational policy of the State Government of Rajasthan.

Functioning smoothly, following the provisions of the Acts and Statutes, the administration has been streamlined to ensure efficiency reflected in maintaining the schedule of admissions, in completing the courses, conduct of examinations, declaration of results and conducting research, etc. As a guiding principle for a fair administration, faculty of the University is associated with the process of decision making at various levels. Students, too, are associated with the various administrative channels related to their education, curricula and hostel accommodation. Thus, in the pyramid of administration from top to bottom, all the segments of the University have made their respective contribution to the regularity and responsive administration of the University.

Teaching-Learning Process

Teaching-learning processes at the University are ever evolving and innovative. The teaching learning process manifests efforts to realize learner centered approach and technology orientation. They are monitored with work plans and the predetermined academic calendar of events. Use of information and communication technology is well appreciated. Conventional lecture method is supplemented by ICT tools. Students' involvement in learning is realized by means of project work, paper presentations, case studies, excursions, group discussions and industrial visits etc.. Plays and organization of exhibitions in the university also help students to increase their commitment to the subject. Students are motivated to take part in various debates, elocution and other similar competitions, which promote their analytical thinking. The students of the University have won various positions in extra mural activities in various competitions. Sessions are also arranged to improve the communication skills of the learners.

II. STRATEGIC INTENT

VISION AND MISSION

Vision

To develop the University as a Centre of Excellence for higher education and research committed towards quality education, skill development, industry integration and holistic eco-system for global competencies among youth and sustainable development of the Nation.

Mission

The University aspires to achieve its vision by:

- I. Innovative, job-oriented and professional academic programs for capacity building in view of the emerging trends of the economy.
- II. Enable students equipped with knowledge and competences to perform successfully in modern organizations in India and abroad.
- III. Training students in generic and life skills in addition to core discipline subjects to enhance employability in job market and for entrepreneurship.
- IV. Engaging students and faculty in research, extension services, consultancy, community development projects, curricular and extra-curricular activities for holistic education.
- V. Promoting use of digital technologies and self-learning resources like MOOCs, Coursera, Virtual Labs, Online Resources, Self-Learning, etc. for enriching information and knowledge.
- VI. Inculcating a culture of excellence among students and faculty.
- VII. Developing a sense of ownership and pride among employees to achieve organizational targets as well as their personal goals.
- VIII. Developing curriculum, training and internship programs to enhance global competencies of absolvents.
- IX. Blending skill, entrepreneurship and capacity building for sustainable development coherent with environmental and economic sustainability.

CORE VALUES

Quality Education

Promoting quality education through modern learning technologies and delivery models while pursuing the UGC quality mandate parameters

Holistic Approach

Holistic education approach commensurate with social, cultural, economic and environmental realities.

Global Competencies

Preparing students to achieve core competencies to face global challenges successfully.

Technology Applications

Effective use of ICT and digital learning resources optimally for achieving excellence.

Industry Integration

Bridging gaps between theory and practice with a focus on skill development and industry integration.

Good Governance

Following good governance principles being accountable, transparent, responsive, effective and efficient, equitable and inclusive, rule of law, participating and consensus-oriented in the process of making and implementation of decisions.

Intellectual Capital Growth

Contributing to human resource development and capacity building of individuals to cater to the needs of the economy, society and country leading to development of the nation.

Culture of Excellence

Promoting culture of excellence among students and faculty in teaching-learning process, research and extension services as drive to develop centres of excellence.

OBJECTIVES

To realize its vision and mission, the University has set the following objectives:

- I. To introduce innovative, job-oriented and professional programs in emerging areas of science and technology, allied health sciences and management.
- II. To make skill development an integral part of delivery of education for enhancing employability and entrepreneurship among graduates.
- III. To encourage the use of digital learning resources along with traditional methods for keeping pace with the changing technological environment.
- IV. To promote research, innovations, extension services, community projects, sports and cultural activities for holistic education.
- V. To strengthen collaborations with industrial and professional organizations for practical exposure and better placements.
- VI. To create state-of-the-art infrastructural resources and facilities for quality education.
- VII. To establish student centric environment on the campus with gender equity.
- VIII. To motivate and orient faculty to strive for and to sustain advanced levels of teaching and research so that the University emerges as an excellent centre of learning.
- IX. To implement outcome based education, quality mandate and holistic concerns towards implementation of New Education Policy (NEP).
- X. To establish transparency, accountability, responsiveness, efficiency and effectiveness, etc. in governance practices at all levels.
- XI. To achieve self-sustainability through quantitative and qualitative expansions.

QUALITY POLICY

Jagan Nath University, Jaipur is committed to impart quality education and strives to be a globally recognized centre of excellence in higher education. It aspires to achieve it by:

1. Ensuring topical and relevant curriculum;
2. Adept delivery mechanism;
3. Relevant research and consultancy;
4. State-of-the-art infrastructural and learning resources
5. Active involvement of stakeholders and industry experts in decision making;
6. Creation of congenial and conducive student centric work environment; and
7. An effective governance system.

III. AUTHORITIES OF THE UNIVERSITY

(A) Authorities

- (i) The Board of Management
- (ii) The Academic council
- (iii) The Finance Committee
- (iv) The Faculties
- (v) The Fee Concession Committee

(B) Officers of the University

- (i) Chair Person Dr. Amit Gupta
- (ii) President Prof. H L Verma (w.e.f 30.12.2020)
Prof. Vaishali Sharma (02.02.2020 to 29.12.20202)
- (iii) Pro-President Prof. Vaishali Sharma
- (iv) Registrar Mr. Tanmay Pattanayak
- (v) Director, IQAC Prof. Vaishali Sharma
- (vi) Dean, Academics Affairs Prof. Anil Kumar Sharma
- (vii) Dean, Research Prof. Vivek Kumar Sharma
- (viii) Dean, Students Welfare Prof. Ranjita Soni
- (ix) Public Information Officer Dr. Kapil Khattar
- (x) Proctor Prof. S L Sharma
- (xi) Hostel Superintendent Mr. Gajendra Shekhawat
- (xii) Librarian Mrs. Archana Bhardwaj
- (xiii) Controller of Examinations Mr. Tanmay Pattanayak
- (xiv) Deputy Registrar Mr. Rakesh Israni
- (xv) Training & Placement Officer Mr. Alok Saxena

(C) Important Cells/ Committees

- (i) Women Development Cell
- (ii) SC/ST Cell
- (iii) Internal Quality Assurance Cell (IQAC)
- (iv) Training & Placement Cell
- (v) Students Welfare Committee
- (vi) Library Committee
- (vii) Anti- Ragging Committee
- (viii) Proctorial Board
- (ix) Students Grievance Redressal Committee
- (x) Internal Complaint Committee and many more Committees/ Cells

Board of Management

1. **The Chairperson**
Dr. Amit Gupta
Jagan Nath University Jaipur
Chairperson
2. **The President**
Prof. (Dr.) H L Verma
Jagan Nath University, Jaipur
Member
3. **Five persons nominated by the Sponsoring Body out of whom two shall be eminent educationists**
 - (i) Sh. Manish Gupta
Chairman, Jagan Nath Gupta Memorial Educational Society, New Delhi
Member
 - (ii) Sh. Deepak Gupta
Vice Chairman, Jagan Nath Gupta Memorial Educational Society, New Delhi
Member
 - (iii) Prof. (Dr.) Y C Bhatt
Former Professor, MNIT, Jaipur
Member
 - (iv) Prof. (Dr.) V K Agarwal
Professor of Law, Jagan Nath University, Jaipur
Member
 - (v) Sh. K N Mathur
Former General Manager, RIICO, Jaipur
Member
4. **One Expert of Management or Information Technology from outside the University, nominated by the Chairperson**
 - (i) Prof. (Dr.) M K Bhargava – Expert IT
Former Professor, MNIT, Jaipur
Member
5. **One Expert of Finance nominated by the Chairperson**
 - (i) Sh. Nitin Gupta – Expert Finance
CA, Delhi
Member
6. **Commissioner, College Education or his nominee not below the rank of Deputy Secretary**
Member
7. **Two Teachers nominated by the President**
 - (i) Prof.(Dr.) Jyotsna Sharma
Faculty of Management
Jagan Nath University Jaipur
Member
 - (ii) Prof.(Dr.) Geeta Mohan
Faculty of Science
Jagan Nath University Jaipur
Member
8. Registrar, Jagan Nath University, Jaipur
Sh. Tanmay Pattanayak
Member Secretary

Academic Council

1. **The President** Chairperson
Prof. (Dr.) H L Verma
Jagan Nath University Jaipur
2. **The Pro-President** Member
Prof. (Dr.) Vaishali Sharma
Jagan Nath University, Jaipur
3. **Deans of the Faculties/Heads of the Departments** Member
 - (i) Prof. (Dr.) P N Kalla, Dean, Faculty of Science
Jagan Nath University Jaipur
 - (ii) Prof. (Dr.) Vivek Sharma, Dean, Faculty of Engg. & Tech
Jagan Nath University Jaipur
 - (iii) Prof. (Dr.) Shilpi Khandelwal, Dean, Faculty of Management
Jagan Nath University Jaipur
 - (iv) Prof.(Dr.) Kapil Khattar, Dean (Offg.), Faculty of Law & Director, SDL
Jagan Nath University Jaipur
 - (v) Prof. (Dr.) Amit Sharma, Dean, Medical, Paramedical & Allied Health Sciences
Jagan Nath University Jaipur
 - (vi) Prof. Anil Kumar Sharma, Dean, Academics Affairs
Jagan Nath University Jaipur
 - (vii) Prof. Ranjita Soni, Dean, Students Welfare
Jagan Nath University Jaipur
 - (viii) Prof. Jyotsna Sharma, Dean, Alumni
Jagan Nath University Jaipur
 - (ix) Ar. Sharad Kumar Sharma, Head, Department of Architecture & Planning
Jagan Nath University Jaipur
 - (x) Dr. Dhruv Taneja, Head, Department of Physiotherapy
Jagan Nath University Jaipur
 - (xi) Dr. Ankush Sharma, Head, Department of Education
Jagan Nath University Jaipur
 - (xii) Dr. Sachin Kumar Goyal, Head, Department of Law,
Jagan Nath University, Jaipur
4. **Two Faculty members nominated by the President** Member
 - (i) Prof. (Dr.) S L Sharma, Faculty of Science
Jagan Nath University Jaipur
 - (ii) Dr. Amit Saraf, Faculty of Engg & Tech
Jagan Nath University Jaipur
5. **Two Eminent Academicians nominated by the Chairperson** Member
 - (i) Prof. M K Bhargava, Former Professor,
MNIT, Jaipur
 - (ii) Prof. J K Goyal, Former Director,
JIMS, Delhi
6. **Registrar, Jagan Nath University, Jaipur** **Member Secretary**
Sh. Tanmay Pattanayak

IV. The Academic System

The Academic System of Jagan Nath University, Jaipur has been designed such that it promotes realization of Founders' Vision of 'developing this University as a Centre of Excellence for higher education and research committed towards quality education, skill development, industry integration and holistic eco-system for global competencies among youth and sustainable development of the Nation'. The academic system focuses on providing education that helps learners acquiring professional skills through in-depth study of discipline specific courses as well as broad knowledge of the wider world. The basic objective is to provide students right type of education and preparing them to deal with challenges of modern organizations characterized by complexity, diversity and change in the new economy. The emphasis is on promoting interdisciplinary and multi-disciplinary perspectives of learning along with study in major subjects. The system is in full consonance with the UGC guidelines on Choice Based Credit System (CBCS) and New Education Policy (NEP), 2020 framework. The features of CBCS which include flexibility in the choice of courses and credits, continuous evaluation process, uniform grading system, and courses classification into core, electives, ability enhancement compulsory courses and skill development courses are in-built in the process. The salient features of NEP including multidisciplinary and holistic education approach, ethics and human values, extensive use of technology in education delivery, outstanding research, outcome based assessments, community services, etc. have also been incorporated in academic system. The CBCS provides for flexibility in designing curriculum with Mark to Market approach and assign credits based on course content and hours of teaching. It accelerates the teaching-learning process and enables vertical and horizontal mobility in learning. To enhance quality standards the system lays special emphasis on research, innovations, skill development, technology and human values in learning process. The four pillars that drive the university education at Jagan Nath University are quality education, skill development, holistic approach and industry integration. This academic system applies to all UG and PG programs offered by the University.

Programs

The University offers UG and PG programs in various disciplines. The general guidelines governing the conduct of the programs are as under:

UG Programs

1. The minimum total credit requirements to get Pass Degree in 3 years program are 120 credits, 4 years Hons. Degree 140 credits, for B.Tech. 140 credits and for B.Arch. 150 credits.

2. A student is required to take on an average 20 credits per semester and 40 credits per year. However, keeping in view the nature of the program, the credit requirement may change marginally.
3. The students will have the option to choose courses from another discipline also under open electives category depending upon time and course availability.
4. Internship and major research project are an essential component of curriculum in each graduate Program.
5. Keeping in view the nature and requirements of each program the above credits may change as decided by the respective Board of Studies.

PG Programs

1. The minimum credit requirements for PG program of two years duration would be 80 credits, with an average of 20 credits per semester. The students will have the freedom to take more or less than this limit as per the program requirements.
2. The students may opt for additional courses from general and liberal education courses offered by the university depending upon the availability during a particular semester.
3. Summer internship and major research project are an essential component in each PG Program.
4. Keeping in view the nature and requirements of specific program the above credits may change marginally as decided by the respective Board of Studies.

Type of Courses

Courses in a program of study are classified into four categories i.e. Core, Electives, Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC).

1. Core Courses

These are the courses which are to be compulsorily studied by a student as a core requirement to complete the degree in a program of study. They are compulsory courses generally given in the beginning semester(s) to build up basic knowledge in any academic program. The weightage for this category is suggested to be 15-20 percent of the total degree credit requirements.

2. Elective Courses

Elective course is a course which can be chosen from a pool of subjects. It may be

- a. Supportive to the discipline of study
- b. Providing an expanded scope

- c. Enabling an exposure to some other discipline/domain
- d. Nurturing students proficiency/skills

They are the depth courses designed to achieve any/all of the above objectives in any degree Program. They help build expertise and skills in the degree domain area.

Further, elective courses may be divided into two categories i.e. Generic Centric/Open Elective and Discipline Centric/Specific Elective. 'Generic Elective' refers to those courses which add generic proficiency to the students and may be chosen from unrelated discipline. 'Discipline Centric' adds to subject expertise and are offered under the main discipline/ subject of study.

The weightage for electives in degree Program is suggested to be 60 percent.

3. Ability Enhancement Compulsory Courses

AEECC are based upon the content that leads to knowledge enhancement. For example, English Communication, Environment Studies, Disaster Management, Computer Application, Community Service, etc.

4. Skill Enhancement Courses

SEC courses provide value based and/or skill based knowledge and may have content both Theory and Lab/Training/Field Work. The main purpose of these courses is to provide students life skills and hands on skills so as to improve their employability. The weightage for category 3 & 4 above is suggested to be 20-25 percent of the total credits.

However, keeping in view the nature and specific requirements of any degree Program there may be some variations in the relative weightage with in the categories as suggested above.

Salient Features

The Academic System of the University has the following features:

- **Choice Based Credit System**

The system reflects implementation of the UGC guidelines on Choice Based Credit System. The semester system is followed to implement CBCS in all the Programs.

- **Freedom of choice of courses**

The students may take up any subject offered by the University after checking its availability and pre-requisite requirements.

- **Freedom of choice of credits**

A student is expected to take on an average 20 credits per semester. This limit may increase or decrease by 5 credits as per individual choice and capacity.

- **Pillars of academic systems**

Quality Education, Skill Development, Industry Integration, Holistic Approach with focus on Human Values are the main pillars of academic system philosophy followed by the University and the same is reflected in course curriculum content and pedagogy of each Program.

- **Multidisciplinary Approach**

In each program there is a provision for general and liberal education courses in addition to discipline domain courses.

- **Outcome Based Curriculum**

The curriculum of all the programs have been defined as per the outcome based guidelines highlighting PEOs, POs and COs.

- **Transfer of Credit Policy**

The credit transfer policy facilitates the mobility from one course to the other and transfer of credits earned through MOOCs, Coursera and other online certifications.

- **Mark to Market Approach**

It gives freedom to teachers in designing the curriculum in response to the changing requirements of industry and employability. Course up-gradation is a regular feature.

- **Focus on Research**

Research is an integral part of course curriculum in UG and PG programs. The students may take real time live projects on regular basis in addition to major research project.

- **Continuous Evaluation System**

In all programs continuous evaluation system is followed which carries 30% weightage in evaluation process.

- **Minimum Degree Requirements**

The minimum credit requirements to qualify for degree are fixed for each program. A student will have the freedom to take extra courses and credits to enhance skill sets.

- **Classification of Courses**

In each program, the courses are classified into core, electives, ability enhancement and skill enhancement categories. AECC courses are mandatory for the students across disciplines. This category includes courses on English Communication, Environment Studies, Disaster Management, Computer Applications, Community Service, etc.

● Internship and Major Research Project

Industry internships and major research project are the essential components of curriculum in all UG and PG programs in the University.

The Grading System

1. The grading system takes into account the performance of a student in examinations conducted at various stages i.e. classroom tests, mid-term and end-term examination. The evaluation of different components of a course is done in terms of marks first. The aggregate marks (internal + external) obtained in a course are taken as notional marks. The notional marks are multiplied by credits assigned to the course and divided by 10 to obtain Grade Point (GP).

2. The sum of Grade Point of all the courses in a particular semester divided by the total number of credits in that semester determines the Semester Grade Point Average (SGPA.)

The SGPA is calculated only on passing of all courses of a semester.

3. The Cumulative Grade Point Average (CGPA) is determined on the basis of sum of GP of all courses up to that semester divided by the number of total credits up to that semester.

4. The CGPA will be calculated only on passing of all papers of the preceding semester (s). The GP, SGPA and CGPA will be calculated by the following formula:

$$\text{i) } GP = \frac{\text{Notional Marks} \times \text{No. of credits of course}}{10}$$

$$\text{ii) } SGPA = \frac{\text{Sum of GP of all Course}}{\text{Total Number of Credits in Semester}}$$

$$\text{iii) } CGPA = \frac{\text{Sum of GP up to that Semester}}{\text{Total Number of Credits up to that Semester}}$$

5. The overall percentage of marks obtained is determined by multiplying the SGPA or CGPA, as the case may be, by 10.

6. Two methods i.e. Relative Grading and Absolute Grading are in vogue for awarding grades in a course. The relative grading is based on the distribution (usually normal distribution) of marks obtained by all the students of the course and grades are awarded based on a cut-off marks or percentile. Under absolute grading, the marks are converted into grades based on pre-determined class intervals. The University follows absolute grading system on 10 point scale in all the courses.

7. The Letter Grades are determined on the basis of overall percentage of marks as per the following table:

<u>Marks (%)</u>		<u>Letter Grade</u>		<u>Marks(%)</u>
91	≥	O	≤	100
81	≥	A+	≤	90
71	>	A	≤	80
61	≥	B+	≤	70
51	≥	B	≤	60
46	≥	C	≤	50
40	≥	P	≤	45
0	≥	F	≤	39

A student obtaining Grade F shall be considered failed and will be required to reappear in the examination.

For non credit courses Satisfactory or Unsatisfactory shall be indicated instead of the letter grade and this will not be counted for the computation of SGPA/CGPA.

8. The academic performance of a candidate will be determined on the basis of Letter Grades and will be displayed in final transcript, as under:

Letter Grade	Grade Point
O (Outstanding)	10
A+(Excellent)	9
A(Very Good)	8
B+(Good)	7
B(Above Average)	6
C(Average)	5
P (Pass)	4
F(Fail)	0
Ab (Absent)	0

The successful candidates shall be classified into divisions on the basis of marks obtained by them and the division will be indicated in their degree as given under:-

(i)	First Division with distinction	If marks are 75% or more.
(ii)	First Division	If marks are 60% or more and less than 75%.
(iii)	Second Division	If marks are 50% or more and less than 60%.
(iv)	Pass	If marks are 40% or more and less than 50%.

Continuous Evaluation Process

Each course has a certain number of credits, which reflects its weightage. Credit is a unit by which course work is measured. It determines the number of hours of instructions required per week. Credits of a course are determined as under:-

For all lecture/tutorial work, one lecture (one hour duration) per week per semester constitutes one credit. For practical/field work two hours of work per week for semester is one credit.

The Program structure of degree will clearly indicate the credits assigned to different courses.

Every candidate shall be examined in the course (s) as laid down in the syllabus approved by the Academic Council from time to time. The credits for each paper and the contact hours per week will be specified in the Program scheme.

Each paper will have Maximum Marks 100 in the ratio of 70% end-term and 30% internal continuous evaluation process, irrespective of the credits assigned to it. The marks obtained by a student out of 100 will be treated as notional marks. These notional marks (marks obtained) will be multiplied by the Credits to get grade point for each course.

The grade awarded to a student in any particular course will be based on performance of the student in Mid-Term, attendance and co-curricular activities (assignment, viva-voce, lab. work, seminar, workshop, presentations, group discussions, quiz, etc.) and external End Semester examination conducted at the end of semester.

The details of evaluation process for internal and external assessment are given in University Regulations of Examination and Evaluation, available on the Website also.

The End Semester examination for the Odd semesters shall ordinarily be held in the month of December and for the Even semesters in the month of May, on such dates as may be scheduled by the University. It will be an external examination, to be conducted by the Examination Branch of the University.

Other Unique Features

(i) Language Laboratory

The Language Laboratory is used for language tutorials. These are attended by the students who voluntarily opt for Remedial English Classes. Lessons and exercises were recorded on weekly basis so that the students are exposed to a variety of listening and speaking drills. This especially benefits students who are deficient in English and aims at confidence building for interview and competitive examinations. The Language Laboratory sessions also included word games, quizzes, extemporary speaking, debates, skits etc.

(ii) Practical Training

Besides meticulous academic teaching, an emphasis was given on practical training for professional career of the students. Rural camp, study tour, seminar, guest lectures by visiting experts, and term-end review are some of the mandatory but noncredit components of the teaching programme for the major programs run by the Faculty. In different ways, each of these activities contributed towards enhancing social sensitivity. Activities imparting skills for problem solving, situational analysis, reflection, action were conducted through participatory research, creative writing, small group assignments, paper presentation, discussions at formal and online platforms.

(iii) Learner Oriented Planning

Routine class teaching and the intensive interaction with the students and performance in internal assessment and mid-term examinations enables the teachers to identify slow and advanced learners who are then given assistance to improve their academic competence. Summer courses of 4-6 weeks duration were organized for slow learners while advanced learners were encouraged to participate in seminars/workshops etc. In addition, students were also encouraged to enroll themselves on the SWAYAM platform for MOOCs.

(iv) Mentor-Mentee System

The teacher takes on the role of a facilitator. The teachers supported and helped the students to discover their own style of learning by providing course-material, evaluating students' presentations, moderating discussions and lecturing on topics conforming to the curricula. The teachers adopted presentation and group discussion method to make the topic more interesting. The teachers frequently gave the illustrations and discussed the topics to acquaint the students with the practical insight of the subject. Efforts were made to develop use of library for research and study. Reading habits were encouraged through suitable assignments. The individual program streams had distinctly identified the mentors and allocated mentees based on a preliminary psychological test of the student's. The program was successful in shaping the personality of the students, resulting in 93.2 percent placement of final year students across all disciplines.

Feedback System: First Hand Improvement

The University follows the mechanism of student evaluation of teachers to improve the teaching-learning process. The University has developed questionnaire suitable to all departments to undertake student feedback on courses, departments, teachers, campus, and support system at the end of every semester. At the end of each semester, the feedback was collected from students and detailed analysis of the feedback was carried out by IQAC and presented to the academic council. A feedback was also collected from teachers, alumni as well as from the parents. A detailed analysis of the feedback was carried out by

IQAC and presented to the academic council. If the response regarding the performance of any teacher is not within expectation then authorities guided and encouraged concerned teacher for improvement in substance and technique. The feedback mechanism serves as a crucial platform to improve the infrastructural facilities, teaching - learning process and basic amenities in the University.

Examination System - Benchmarking Excellence

The University examination system is based on the philosophy of continuous teaching and evaluation. The University follows the semester system with Choice Based Credit System (CBCS) implemented in the academic year 2015-16 as per the guidelines laid down by the UGC. External experts do setting up of question papers and they evaluate the answer books also. At the end of each semester, students have to meet the minimum criteria of academic performance stipulated in University's Regulations to be promoted to the next semester. There is a zero tolerance for unfair means in the examination.

The University works with utmost ethics, transparency, non-interference, accountability and decentralization. It has a well organized and transparent Examination System. The University makes every attempt to make the teaching, learning and evaluation process to be effective and innovative. The conduct of Examinations is systematic, methodical, prompt and transparent and is held as per the schedule. There is provision for revaluation and rechecking available at UG and PG level. The University follows academic calendar for semester/annual system which includes examination, co-curricular and extra-curricular activities which facilitates and enables the systematic working and conduction of exams.

Continuous assessment based on student's performance and participation in the class on daily basis throughout the term, assignments, projects, term exams followed by tests, problems or case studies is an integral part of the evaluation of a student's performance. The examination system has a provision for scrutiny of answer books by the students.

Training & Placement - First Step to the World of Work

Placements at the University is a regular activity. The University has a dedicated 'Training & Placement Office' headed by Training and Placement Officer. The Training & Placement Office aims at making available quality placement opportunities for students and at maintaining linkages with Human Resource Departments of leading companies working in various domains across the country.

The placement office initiated various activities along with other initiatives to maintain cordial relationship with all the recruiting industries. The cell organized mock interviews and group discussions in collaboration with corporate trainers to familiarize students with standard selection procedures. Different renowned organizations were invited to participate in the placement process.

The University has also maintained close linkage with industry and other organizations, so that students of various disciplines can visit their plants to get a direct insight into the multi-functional processes at these organizations. In-plant training is also organized as per the program curriculum. During the year 2020-21 due to the pandemic situation we could not organize physical visits to.

Placement Events were started in July at the beginning of the academic session. The cell was able to deliver 93.2 percent placement of final year students across all disciplines.

Linkage /Tie up with the Industry

The University realises that industry and academia collaboration is the way forward to achieve excellence in higher education. This helps the faculty to familiarize themselves with industrial practices and share the same with the students in the form of case studies to make teaching-learning interesting. To have linkage with the industry, opportunities were provided to the teachers to 'work' with industry for short durations. Researchers were encouraged to work on practical problems faced by the industry that will be fruitful for both research and industry.

Co-Curricular Activities - Overall Learning

In order to ensure that the students have effective learning experience, the University organized debates, essay writing, elocution and other competitions in both offline and online mode according to academic calendar to improve and sustain the academic quality of the students. The faculty ensured that the students have effective learning experiences through their problem solving skills. The University believes that the students who are given the freedom to explore areas based on their personal interests, and who are accompanied in their learning by a supportive, understanding facilitator, not only achieve superior academic results but also develop socially and grow personally. A well-maintained, separate computer laboratory with internet facility is accessible to the students. They can access latest changes and developments taking place in their respective domains, in higher education across the globe.

Extension Activities

Various extension activities like AIDS awareness, Survey Work on Below Poverty Line Groups, Blood Donation Camps, Anti- dowry movement, Environmental Awareness, water quality monitoring were organized. Various community capacity building and livelihood programmes including those related to gender and health were also organized. In an effort towards development of social sensitivities and good citizenship qualities among the students, most of the departments integrate community outreach programmes into their curricular activities.

V. ACADEMIC PROGRAMS

The University has taken all measures to effectively address its goals and objectives by providing excellent instruction, competent faculty and staff and by making the needed infrastructure available to its students and researchers. In keeping with this, the University offered variety of programs- Graduate, Post graduate and doctorate levels through various faculties as follows:

- **Faculty of Engineering & Technology**
 - Department of Engineering & Technology
 - Computer Science & Information Technology
 - Civil Engineering
 - Mechanical Engineering
 - Electrical Engineering
 - Department of Architecture & Planning
- **Faculty of Sciences**
 - Department of Agriculture
 - Department of Physical Science
- **Faculty of Law**
- **Faculty of Management Studies**
- **Faculty of Education**
- **Faculty of Medical, Paramedical & Allied Health Sciences**
 - Department of Physiotherapy
 - Department of Pharmacy
 - Department of Naturopathy and Yoga Sciences (BNYS)

FACULTY OF ENGINEERING & TECHNOLOGY
Department of Computer Science & Information Technology

Programmes Offered during 2020-21 : Diploma, B.Tech., BCA, M.Tech, Ph. D
 Year of Establishment : 2008
 Dean of the Faculty : Dr. Vivek Sharma
 Name of HoD : Dr. Ramesh Bharti
 Teacher-in-charge : Dr. Renu Bhagoria

Details of Internships/Field Visits/Industrial Visits

Program	Name of Company for Internships Field Visit/Industrial Visit, etc	Date	Remarks
B.Tech.	TCS ION	May 13 to June 15	Python
B.Tech.	Udemy	May 5 to June 20	Programming in java & Python programming, AWS solutions architect and Programming in python
B.Tech.	Coursera	May 4 to June 20	Building Android app
B.Tech.	EDUCBA	May 4 to June 20	Ethical Hacking, Maze Game-Unity, Java swing
B.Tech.	Shree Sun Technologies	May 6 to June 30	Web Design & Development

PhD Awarded to students

Name of Scholar	Title of work	Name of guide/Mentor	Status of Degree (Awarded/ Perusing)
Archana B Saxena	A Model to Evaluate the Trust Worthiness of Cloud Provider	Prof. Y. S. Shishodia	Awarded

Details of Webinars Organized

- **Webinar : “Smart IOT Solutions for Combating Covid-19 Pandemic”** conducted by the Computer Science and Engineering Department on 20 May, 2021 at Jagannath University.

The poster is for a webinar organized by the Department of Computer Science & Engineering at Jagannath University. It features a central image of Dr. Priyanka Mishra, an Assistant Professor at the Indian Institute of Information Technology, Kota. The event is scheduled for May 20, 2021, at 11:00 AM. The registration link is provided as bit.ly/foetwebinar. The poster also lists the convener, Dr. Renu Bagoria, and the organizing committee members: Manish Khandelwal, Hukum Saini, Vijay Shrimal, Gajendra Shrimal, and Suraj Yadav. The website www.jagannathuniversity.org is mentioned at the bottom.

The screenshot shows a Zoom meeting in progress. The main video feed displays a man, identified as Prof. H. L. Verma (Pro-Chancellor, Jagannath University). The interface includes a top bar with 'Remove Spotlight', 'Recording...', and 'LIVE on YouTube'. A list of participants is visible on the right, including Jagannath Unive... (Host, me), saurabh_roy, Dr. Renu Bagoria, Prof. H. L. Verma (Pro-Chancell..., 8211_Chelsi Gupta, ABHISHEK SOPHYA, ABHISHEK TIWARI, Adarsh kumar, Aditi Kumari, Aditya, Aditya Jha, Alok Saxena, and Aman Sharma. The bottom control bar shows options like Unmute, Start Video, Security, Participants (100), Chat, Share Screen, Pause/Stop Recording, Reactions, and More. The system tray at the bottom indicates the time as 11:16 AM on 5/20/2021.

Obstacle Detection through Ultrasonic Sensor (HC –SR04)

WC can detect obstacles within range of 4 metres (double of 2 gaj duri) and notifies the system and stop the wheelchair till further command.

This ultrasonic distance sensor is capable of measuring distances between 2 cm to 400 cm (that's about an inch to 13 feet),

- Obstacle sensor is used to stop the wheelchair, in case of any obstacle.
- IR beams are produced from the obstacle sensor.
- If it is placed at the bottom of the wheelchair.
- Intensity of reflected beam is proportional to distance.

Recording... LIVE on YouTube

Pre-screening or Diagnosis

- While hospitals were quick to start telemedicine services the number of calls are overwhelming.
- To counter this Call-Traffic problem, software companies collaborated with hospitals to set up chatbots on their website/mobile apps to ask a series of questions to screen visitors according to the severity of their conditions for Diagnosis.
- Smart Pulse-oximeters, Thermometers, Smartbands and other IoT Smart devices are being used to transmit the data to cloud.
- This technology, Reducing the efforts and time of Doctors and Medical staff spent in diagnosis, They can instead use this time to treat patients.

अंतरराष्ट्रीय वेबिनार श्रृंखला का आयोजन

चाकसू समाचार जगत ब्यूरो। एनएचइ 12 बाईपास पर मौजूद जगन्नाथ विश्वविद्यालय के इंजीनियरिंग एवं टेक्नोलॉजी विभाग द्वारा वेबिनार श्रृंखला का आयोजन किया गया, जिसमें इंजीनियरिंग एंड टेक्नोलॉजी की विभिन्न

ब्रांचेज यथा- सिविल इंजीनियरिंग, कम्प्यूटर साइंस, इलेक्ट्रीकल इंजीनियरिंग एवं मैकेनिकल इंजीनियरिंग द्वारा अन्तरराष्ट्रीय वेबिनार पर चर्चा की गई। इस वेबिनार में प्रो. एचएल वर्मा, कुलपति, जगन्नाथ विश्वविद्यालय, डॉ.

विवेक कुमार शर्मा, अधिष्ठाता, इंजीनियरिंग एण्ड टेक्नोलॉजी, डॉ. रमेश भारती, विभागाध्यक्ष के अतिरिक्त देश के कुछ नामी स्पीकर्स एवं छात्रों ने भाग लिया। विभिन्न ब्रांचों द्वारा वेबिनार में मुख्य वक्ता प्रो. केदार शर्मा, जेकेएलयू, डॉ. प्रियंका मिश्रा, आईआईआईटी, कोटा, डॉ. मनीष गोस्वामी, आईआईआईटी, इलाहाबाद, डॉ. अमिताभ दत्ता, सीनीयर साइंटिस्ट, सीएसआईआर, बैंगलोर रहें। कार्यक्रम के आयोजन संयोजक डॉ. भरत नागर, डॉ. रेणू बागोरिया, डॉ. रमेश भारती एवं अविनाश नाथ तिवारी द्वारा किया गया। कार्यक्रम में विभाग के फैकल्टी मैम्बर्स एवं छात्रों ने भी अपने विचार व्यक्त किये। विशेषज्ञों के उद्बोधन के पश्चात सम्मिलित सहभागियों से प्रश्न आमंत्रित किये गये। जिसका विशेषज्ञों ने बहुत ही सुंदर तरीके से जवाब दिया। अंत में संयोजकों ने धन्यवाद प्रेषित कर वेबिनार का समापन कराया।

Samachar Jagat, Chaksu, 30 May, 2021

FACULTY OF ENGINEERING & TECHNOLOGY

Department of Civil Engineering

Programmes Offered during 2020-21	:	Diploma, B.Tech., M.Tech, Ph. D
Year of Establishment	:	2008
Dean of the Faculty	:	Dr. Vivek Sharma
Name of HoD	:	Dr. Ramesh Bharti
Teacher-in-charge	:	Dr. Bharat Nagar

Details of Internships/Field Visits/Industrial Visits

Program	Name of Company for Internships Field Visit/Industrial Visit, etc	Date	Remarks
B.TECH CIVIL	John Holland	May 23 to June30	Eleven students have done their Internship in Construction & Pro Mgt

Funded Projects in the Department (Govt./Non Govt.)

Seminar/Webinar/Conference/Workshop attended by the Teachers

S.No	Name of Teacher	Seminar/Webinar/ Conference/Workshop attended by Teacher	Place and Date
1	Dr. Bharat Nagar	Participated in the webinar on "Role of Artificial Intelligence, Machine Learning & Data Science for Managers in Corporate Sector" organized by Jagannath University, Jaipur	10 th Feb, 2021
2	Dr. Bharat Nagar	Participated in the International webinar on " Career Opportunities in Machine Learning and AI" organized by Jagannath University, Jaipur	11 th Feb, 2021

3	Dr. Bharat Nagar	Participated in 3 Days Faculty development Programme on “ Stress Management” organized by Yagvavalkya Institute of Technology, Jaipur	11/01-13/01/2021
4	Dr. Bharat Nagar	Participated in the webinar on “Adapting to New Normal” organized by Jagannath University, Jaipur	9 th Sept, 2020
5	Dr. Bharat Nagar	Participated in the online workshop on “Building Ideas for Feasible Small Enterprises” organized by Jagannath University, Jaipur with MSME, Govt. of India.	18 th Sept, 2020
6	Dr. Bharat Nagar	Participated in the online seminar on “New Education Policy-A Paradigm Shift in Indian Education System” organized by Jagannath University, Jaipur	23 rd Sept, 2020
7	Dr. Bharat Nagar	Participated in RTU (ATU) TEQIP III Sponsored Three Day Faculty Development Programme on “Nano-Materials and its Applications in Science & Technology” organized by Department of Basic Sciences and Humanities, Vivekananda Institute of Technology, Jaipur.	September 7- 9, 2020
8	Dr. Bharat Nagar	Participated in the webinar on “Role of Artificial Intelligence, Machine Learning & Data Science for Managers in Corporate Sector” organized by Faculty of Management Studies, Jagannath University, Jaipur	10 th Feb, 2021
9	Dr. Bharat Nagar	Participated in the International webinar on “ Career Opportunities in Machine Learning and AI” organized by Department of Engineering & Technology, Jagannath University, Jaipur	11 th Feb, 2021
10	Dr. Bharat Nagar	Participated in the International webinar on “On Bach Flower Remedies: A Novel Approach to Holistic Healing and Innovative Career Prospects” organized by Faculty of Science, Jagannath University, Jaipur	12 th Feb, 2021
11	Dr. Bharat Nagar	Participated in the 5 days workshop on “Impact of Covid-19 On Human Health & Environment” organized by Sawai Madhopur College of engineering and Technology, sawai madjopur	05-Jan to 09 Jan, 2021
12	Dr. Bharat Nagar	Participated in the Five Days Workshop on “Entrepreneurship Development” organized by Yagvavalkya Institute of Technology, Jaipur	01/02/2021 To 05/02/2021
13	Dr. Bharat Nagar	participated in the one week Faculty Development Programme on “Renewable Integration, Challenges & Opportunities”, organized by Vedant College of Engineering and Technology	01/09/2020 to 05/09/2020
14	Dr. Bharat Nagar	participated in the One Week Faculty Development Programme on “Advance Non Destructive Testing Methods” organized by Aryabhata College of Engineering & Research Center, Ajmer	24/08/2020 to 28/08/2020
15	Dr. Bharat Nagar	Attended a webinar on “ Leprosy, Breaking Myth” organized by carrier Point University, Kota	03/09/2020

16	Mr. Hemant Kumar agrawal	Participated in 3 Days Faculty development Programme on “ Stress Management” organized by Yagvavalkya Institute of Technology, jaipur	11/01-13/01/2021
17	Mr. Hemant Kumar agrawal	Participated in the webinar on “Adapting to New Normal” organized by Jagannath University, Jaipur	9 th Sept, 2020
18	Mr. Hemant Kumar agrawal	Participated in the 5 days workshop on “Impact of Covid-19 On Human Health & Environment” organized by Sawai Madhopur College of engineering and Technology, sawai madjopur	05-Jan to 09 Jan, 2021
19	Mr. Hemant Kumar agrawal	participated in the one week Faculty Development Programme on “Renewable Integration, Challenges & Opportunities”, organized by Vedant College of Engineering and Technology	01/09/2020 to 05/09/2020
20	Mr. Hemant Kumar agrawal	participated in the One Week Faculty Development Programme on “Advance Non Destructive Testing Methods” organized by Aryabhata College of Engineering & Research Center, Ajmer	24/08/2020 to 28/08/2020
21	Mr. Mukesh Kumar	Participated in 3 Days Faculty development Programme on “ Stress Management” organized by Yagvavalkya Institute of Technology, jaipur	11/01-13/01/2021
22	Mr. Mukesh Kumar	Participated in the webinar on “Adapting to New Normal” organized by Jagannath University, Jaipur	9 th Sept, 2020
23	Mr. Mukesh Kumar	Participated in the 5 days workshop on “Impact of Covid-19 On Human Health & Environment” organized by Sawai Madhopur College of engineering and Technology, sawai madjopur	05-Jan to 09 Jan, 2021
24	Mr. Mukesh Kumar	participated in the one week Faculty Development Programme on “Renewable Integration, Challenges & Opportunities”, organized by Vedant College of Engineering and Technology	01/09/2020 to 05/09/2020
25	Mr. Mukesh Kumar	participated in the One Week Faculty Development Programme on “Advance Non Destructive Testing Methods” organized by Aryabhata College of Engineering & Research Center, Ajmer	24/08/2020 to 28/08/2020
26	Ms. Swetha Singh	Participated in 3 Days Faculty development Programme on “ Stress Management” organized by Yagvavalkya Institute of Technology, jaipur	11/01-13/01/2021
27	Ms. Swetha Singh	Participated in the webinar on “Adapting to New Normal” organized by Jagannath University, Jaipur	9 th Sept, 2020
28	Ms. Swetha Singh	Participated in the 5 days workshop on “Impact of Covid-19 On Human Health & Environment” organized by Sawai Madhopur College of engineering and Technology, sawai madjopur	05-Jan to 09 Jan, 2021
29	Ms. Swetha Singh	participated in the one week Faculty Development Programme on “Renewable Integration, Challenges & Opportunities”, organized by Vedant College of Engineering and Technology	01/09/2020 to 05/09/2020
30	Ms. Swetha Singh	participated in the One Week Faculty Development Programme on “Advance Non Destructive Testing Methods” organized by Aryabhata College of Engineering & Research Center, Ajmer	24/08/2020 to 28/08/2020

Teachers undergoing FDP/PDP/Orientation/Induction/Refresher course/Short term courses

Name of Teacher	Title of Program	Duration (DD-MM-YYYY)
Dr. Bharat Nagar	Participated in 3 Days Faculty development Programme on “ Stress Management” organized by Yagvavalkya Institute of Technology, jaipur	11/01-13/01/2021
Dr. Bharat Nagar	Participated in RTU (ATU) TEQIP III Sponsored Three Day Faculty Development Programme on “Nano-Materials and its Applications in Science & Technology” organized by Department of Basic Sciences and Humanities, Vivekananda Institute of Technology, Jaipur.	September 7- 9, 2020
Dr. Bharat Nagar	Participated in the 5 days workshop on “Impact Of Covid-19 On Human Health & Environment” organized by Sawai Madhopur College of engineering and Technology, sawai madjpur	05-Jan to 09 Jan, 2021
Dr. Bharat Nagar	Participated in the Five Days Workshop on “Entrepreneurship Development &” organized by Yagvavalkya Institute of Technology, jaipur	01/02/2021 to 05/02/2021
Dr. Bharat Nagar	participated in the one week Faculty Development Programme on “Renewable Integration, Challenges & Opportunities”, organized by Vedant College of Engineering and Technology	01/09/2020 to 05/09/2020
Dr. Bharat Nagar	participated in the One Week Faculty Development Programme on “Advance Non Destructive Testing Methods” organized by Aryabhata College of Engineering & Research Center, Ajmer	24/08/2020 to 28/08/2020

Glimpses of Webinar conducted on 17 May 2021

FACULTY OF ENGINEERING & TECHNOLOGY

Department of Mechanical Engineering

Programmes Offered during 2020-21 : Diploma, B.Tech., M.Tech, Ph. D
 Year of Establishment : 2008
 Dean of the Faculty : Dr. Vivek Sharma
 Name of HoD : Dr. Ramesh Bharti
 Teacher-in-charge : Mr. Avinash Nath Tiwari

Details of Internships/Field Visits/Industrial Visits:

Program	Name of Company for Internships Field Visit/Industrial Visit, etc	Date	Remarks
B.Tech	Vardhan Consulting Engineers	June 1 to June 30	-

PhD Awarded to Students

Name of Scholar	Title of work	Name of guide/Mentor	Status of Degree (Awarded/ Perusing)
Shradha Arya	Development of Improved Model for the Surface Finish of Ball Bearing (Deep Groove) by Optimizing Cutting Parameter	Prof. Manish Bhargava	Awarded
Priyanka Pathak	Analysis of Sustainable Manufacturing Concepts through Identification of Drivers and Barriers in Indian Manufacturing Industry	Dr. M. P. Singh	Awarded

Workshop/Seminar/Webinar/Conference conducted by the Department

Title of Activity	Type of activity	No. of participants	Date (DD-MM-YYYY)	Main Speakers
Emerging Technologies in Mechanical Engineering	Webinar	85	28 May, 2021	Dr. Amitabha Datta, Senior Scientist, CSIR-NAL, Bangalore

Seminar/Webinar/Conference/Workshop attended by the Teachers

S.No	Name of Teacher	Seminar/Webinar/Conference/Workshop attended by Teacher	Place and Date
1	Dr. Amit Saraf	Role of Artificial Intelligence, Machine Learning & Data Science for Managers in Corporate Sector	10 th Feb, 2021, Jagannath University, Jaipur
2	Mr. Avinash Nath Tiwari	Career Opportunities in Machine Learning and AI	11 th Feb, 2021 Jagannath University, Jaipur
3	Mr. Avinash Nath Tiwari	Adapting to New Normal	9 th Sept, 2020 Jagannath University, Jaipur
4	Mr. Avinash Nath Tiwari	New Education Policy-A Paradigm Shift in Indian Education System	23 rd Sept, 2020 Jagannath University, Jaipur

5	Mr. Avinash Nath Tiwari	Role of Artificial Intelligence, Machine Learning & Data Science for Managers in Corporate Sector	10 th Feb, 2021, Jagannath University, Jaipur
6	Mr. Avinash Nath Tiwari	Career Opportunities in Machine Learning and AI	11 th Feb, 2021 Jagannath University, Jaipur
7	Mr. Avinash Nath Tiwari	On Bach Flower Remedies: A Novel Approach to Holistic Healing and Innovative Career Prospects	12 th Feb, 2021 Jagannath University, Jaipur
8	Mr. Avinash Nath Tiwari	Judicial Activism	13 th Feb, 2021 Jagannath University, Jaipur
9	Rakesh Kumar	Effective Communication Skills	September 3, 2020, University Departments, Rajasthan Technical University, Kota
10	Rakesh Kumar	Adapting to New Normal	9 th Sept, 2020 Jagannath University, Jaipur
11	Rakesh Kumar	Building Ideas for Feasible Small Enterprises	18th Sept., 2020, with ministry of Micro, Small & Medium Enterprises, Govt. of India Organized By Jagannath University Jaipur.
12	Rakesh Kumar	New Education Policy-A Paradigm Shift in Indian Education System	23 rd Sept, 2020 Jagannath University, Jaipur
13	Rakesh Kumar	Virtual Labs: Next Generation of Experimentation	21st December, 2020.Virtual Labs Nodal Centre, Govt. Shakambhar P.G. College, Sambhar Lake (Jaipur) in coordination with Indian Institute of Technology (IIT), Delhi
14	Rakesh Kumar	Role of Artificial Intelligence, Machine Learning & Data Science for Managers in Corporate Sector	10 th Feb, 2021, Jagannath University, Jaipur
15	Rakesh Kumar	3-D concrete Printers : Emerging Technology in Construction Field	17 May, 2021 Jagannath University Jaipur.
16	Rakesh Kumar	A Review of Systems and Technologies for Smart Homes	27 May, 2021. Jagannath University Jaipur
17	Rakesh Kumar	Emerging Technologies in Mechanical Engineering	28 May, 2021. Jagannath University Jaipur
18	Rakesh Kumar	The Art of Winning Your Dream Job	22 May, 2021 Jagannath University Jaipur
19	Rakesh Kumar	Covid : Sars-2 An Insight towards Symptoms & Treatment Strategies	12 Feb, 2021 Jagannath University Jaipur
20	Rakesh Kumar	Smart IoT Solutions for Combating Covid-19 Pandemic	20 May, 2021 Jagannath University Jaipur
21	Rakesh Kumar	Startup Connect	25 June, 2021 APAC News Network
22	Pankaj Sharma	Role of Artificial Intelligence, Machine Learning & Data Science for Managers in Corporate Sector	10 th Feb, 2021, Jagannath University, Jaipur

23	Pankaj Sharma	Career Opportunities in Machine Learning and AI	11 th Feb, 2021 Jagannath University, Jaipur
24	Pankaj Sharma	Emerging Technologies in Mechanical Engineering	28 May, 2021. Jagannath University Jaipur
25	Pankaj Sharma	Smart IoT Solutions for Combating Covid-19 Pandemic	20 May, 2021 Jagannath University Jaipur
26	Rakesh Sharma	Role of Artificial Intelligence, Machine Learning & Data Science for Managers in Corporate Sector	10 th Feb, 2021, Jagannath University, Jaipur
27	Rakesh Sharma	Career Opportunities in Machine Learning and AI	11 th Feb, 2021 Jagannath University, Jaipur
28	Rakesh Sharma	Emerging Technologies in Mechanical Engineering	28 May, 2021. Jagannath University Jaipur
29	Rakesh Sharma	Smart IoT Solutions for Combating Covid-19 Pandemic	20 May, 2021 Jagannath University Jaipur

Teachers undergoing FDP/PDP/Orientation/Induction/Refresher course/Short-term courses

Name of Teacher	Title of Program	Duration (DD-MM-YYYY)
Avinash Nath Tiwari	RTU (ATU) TEQIP III Sponsored Faculty Development Program "Solar Thermal Engineering for Sustainable Future"	August 24 to 28, 2020, Swami Keshvanand Institute of Technology, Management and Gramothan, Jaipur.
Avinash Nath Tiwari	RTU (ATU) TEQIP III Sponsored Three Day Faculty Development Programme "Nano-Materials and its Applications in Science & Technology"	September 7- 9, 2020, Department of Basic Sciences and Humanities, Vivekananda Institute of Technology, Jaipur.
Avinash Nath Tiwari	IMAE-2021 "Innovation in Mechanical and Automation Engineering: Issues, Challenges and Solutions"	21-25 June 2021. Amity University, Jharkhand
Rakesh Kumar	Faculty Development Programme "Solar Thermal Engineering for Sustainable Future"	24/08/2020 to 28/08/2020 at SKIT Jaipur.
Rakesh Kumar	Faculty Development Programme "Recent Trends in Advanced Machining and Additive Manufacturing"	07/09/2020 to 11/09/2020 at SKIT Jaipur.
Rakesh Kumar	Faculty Development Programme "Transient Stability in Power System"	11/09/2020 to 12/09/2020, JEC Jaipur
Rakesh Kumar	Faculty Development Programme "Virtual Labs: Next Generation of Experimentation"	21st December, 2020. Virtual Labs Nodal Centre, Govt. Shakambhar P.G. College, Sambhar Lake (Jaipur) in coordination with Indian Institute of Technology (IIT), Delhi
Rakesh Kumar	Faculty Development Programme "Participating and sharing insights on adopting Best in Class Engineering Processes"	5/11/20, Solid Edge University
Rakesh Kumar	Faculty Development Programme "Stress Management"	11/01/2021 to 13/01/2021 Yagyavalkya Institute of Technology

Rakesh Sharma	Faculty Development Programme “Advance Non Destructive testing Methods”	24/08/2020 to 28/08/2020 Aryabhata college of Engg. & Research Centre.
Rakesh Sharma	Faculty Development Programme “Renewable integration, challenges & opportunities”	01/09/2020 to 05/09/2020 Vedant College of Engg & Technology
Rakesh Sharma	Faculty Development Programme “Opportunities & Challenges of E- Vehicles in India”	02/09/2020 to 04/09/2020 SKIT, Jaipur.
Rakesh Sharma	Faculty Development Programme “Stress Management”	11/01/2021 to 13/01/2021 Yagyavalkya Institute of Technology

Lectures/Talks/delivered and sessions chaired/moderated

Name of Teacher	Name of events	Type of activity	Topic theme	Place and date	Organizing Institution
Avinash Nath Tiwari	Webinar	Moderation	Emerging Technologies in Mechanical Engineering	28 May, 2021 Jagannath University, Jaipur	Jagannath University, Jaipur

Details of Webinars Organized

Glimpses of Webinar conducted on 28 May 2021

Real-Time Signal Processing: Application to Process, Infrastructure and Mechanical system Diagnosis

Amitabha Datta
Advanced Composites Division

CSIR- National Aerospace Laboratories
Aerospace Technologies for Today and Tomorrow

Zoom Meeting Controls: Mute, Start Video, Security, Participants (43), Chat, Share Screen, Pause/Stop Recording, Reactions, More, End. Time: 11:23 AM 5/28/2021.

Ground Studies - Impact Detection

Ground based impact detection system using strain gauges & FBGs

Structures Under Consideration

- Laminates: 320mm x 490mm
- Stringer Panels: 800mm x 450mm
- Testbox: 700mm x 500mm

Correlation Index for Impact Location

Impact Location Detection Summary

Zoom Meeting Controls: Mute, Start Video, Security, Participants (29), Chat, Share Screen, Pause/Stop Recording, Reactions, More, End. Time: 12:20 PM 5/28/2021.

Zoom Meeting Controls: Unmute, Start Video, Security, Participants (29), Chat, Share Screen, Pause/Stop Recording, Reactions, More, End. Time: 12:43 PM 5/28/2021.

FACULTY OF ENGINEERING & TECHNOLOGY
Department of Electrical Engineering

Programmes Offered during 2020-21 : Diploma, B.Tech., M.Tech, Ph. D
 Year of Establishment : 2008
 Dean of the Faculty : Dr. Vivek Sharma

अंतरराष्ट्रीय वेबिनार श्रृंखला का आयोजन

चाकसू समाचार जगत ब्यूरो। एनएचइ 12 बाईपास पर मौजूद जगन्नाथ विश्वविद्यालय के इंजीनियरिंग एवं टेक्नोलॉजी विभाग द्वारा वेबिनार श्रृंखला का आयोजन किया गया, जिसमें इंजीनियरिंग एंड टेक्नोलॉजी की विभिन्न

ब्रांचेज यथा- सिविल इंजीनियरिंग, कम्प्यूटर साइंस, इलेक्ट्रीकल इंजीनियरिंग एवं मैकेनिकल इंजीनियरिंग द्वारा अन्तर्राष्ट्रीय वेबिनार पर चर्चा की गई। इस वेबिनार में प्रो. एचएल वर्मा, कुलपति, जगन्नाथ विश्वविद्यालय, डॉ.

विवेक कुमार शर्मा, अधिष्ठाता, इंजीनियरिंग एण्ड टेक्नोलॉजी, डॉ. रमेश भारती, विभागाध्यक्ष के अतिरिक्त देश के कुछ नामी स्पीकर्स एवं छात्रों ने भाग लिया। विभिन्न ब्रांचों द्वारा वेबिनार में मुख्य वक्ता प्रो. केदार शर्मा, जेकेएलयू, डॉ. प्रियंका मिश्रा, आईआईआईटी, कोटा, डॉ. मनीष गोस्वामी, आईआईआईटी, इलाहाबाद, डॉ. अमिताभ दत्ता, सीनीयर साइंटिस्ट, सीएसआईआर, बैंगलोर रहें। कार्यक्रम के आयोजन संयोजक डॉ. भरत नागर, डॉ. रेणू बागोरिया, डॉ. रमेश भारती एवं अविनाश नाथ तिवारी द्वारा किया गया। कार्यक्रम में विभाग के फैकल्टी मैम्बर्स एवं छात्रों ने भी अपने विचार व्यक्त किये। विशेषज्ञों के उद्बोधन के पश्चात सम्मिलित सहभागियों से प्रश्न आमंत्रित किये गये। जिसका विशेषज्ञों ने बहुत ही सुंदर तरीके से जवाब दिया। अंत में संयोजकों ने धन्यवाद प्रेषित कर वेबिनार का समापन कराया।

List of Value Added Courses offered by Engineering & Technology

S.No.	Title of the Courses	Suitable Year	Employability
1.	Advance Excel	Suitable for 1 st Year Students	MIS Analyst, MIS Executive, Data Analyst, Business Analyst Data Entry Jobs, Office Assistant
Electrical Engineering			
2.	Solar panel Usefulness and Maintenance	Suitable for 2 nd Year Students	Maintenance Engineer, Design & Development Engineer, Sales & Marketing of Solar Equipments.
3.	Mobile Technology and Maintenance	Suitable for 3 rd Year Students	Maintenance Engineer, Testing Engineer, Telecommunication Engineer, Sales & Marketing of Mobile and related Equipments
4.	PLC SCADA Workshop:	Suitable for 4 th Year Students	Plant Engineer, Design & Development Engineer, Project Engineer, Sales & Marketing of Automation Setups,
Computer Science Engineering			
5.	Web Development	Suitable for 2 nd Year Students	Web Developer, Freelancing
6.	Introduction to Cloud Computing with Amazon Web Services	Suitable for 3 rd Year Students	AWS Solutions Architect, Associate Associate, AWS Developer Associate Cloud analyst
7.	The Complete Cyber Security Course: Network Security!	Suitable for 4 th Year Students	Risk analyst, Security Analyst, Expert at Antivirus firms
Civil Engineering			
8.	Auto CAD Training	Suitable for 2nd Year Students	civil engineering drafting software with a multitude of design, analysis and simulation tools for civil engineering design
9.	Surveying techniques	Suitable for 3rd Year Students	High demand in construction industries, Good jobs available with experienced TS Surveyors
10.	Staad Pro Training	Suitable for 4th Year Students	Students shall be able to generate 2D/3D drawings or shapes of frames, beam elements, truss elements or any rotations using rectangular or polar coordinate systems
Mechanical Engineering			
11.	Automobile Maintenance	Suitable for 2 nd Year Students	Maintenance Officer, Layout of chassis, Maintenance of vacuum and hydraulic clutches, Steering system,
12.	AutoCAD	Suitable for 3 rd Year Students	Part Designer, 2D modeling, Dimension analysis, Part assembly,
13.	Competency in Heating, Ventilation and Air Conditioning	Suitable for 4 th Year Students	HVAC technician Fundamentals of heat transfer, Heating and Cooling Load Calculation Procedure, Refrigeration, Installation, Operation, Testing and Maintenance,

Report of E-Business Quiz Competition (19th -20th January 2021)

- E- Business Quiz Competition was organized by Faculty of Management Studies, Jagannath University Jaipur on Tuesday-Wednesday, 19th& 20th January 2021, as part of its regular Co-curricular activities. The event was coordinated by Dr. Shweta Bhatia and Ms. Smita Kaushik. The convener of the event was Dr. Shilpi Khandelwal.
- The participation in the competition was total 763 students and faculties from various disciplines and corporate. The participation in the E- Business Quiz competition was from all over India including faculty members, students and people from corporate.

- The purpose behind organizing this event was to make students aware of the current business happenings. On the whole, the event was a huge success due to the enthusiasm shown by the participants. More such events will be organized in the future, for the overall development of the Students.

“Srijan” National level Business Plan Competition (26th April 2021)

Jagannath University Institution Innovation Council in association with Faculty of Management organized its annual series of Business Plan Contest – SRIJAN. This contest was aimed to give an opportunity to students for exploring and bringing forth their entrepreneurial skills by developing a business plan for a new product or service. Due to the pandemic, the contest was held online this year.

By participating in the competition, it was envisioned that students will gain experience through:

- Identifying business opportunities, developing a business model and writing a formal business proposal;
- Performing market research and feasibility analysis using primary and/or secondary data;
- Developing communication and organizational skills;
- Working individually or as part of a team.

The competition was open to students of any University/Institute, full or part time, from both UG and PG Programs. Students were allowed to participate as an individual or as a team; a team entry consisting of two to five eligible students. Entries were invited for submissions by March 20, 2021. Entries were specified to include a registration form and Business Plan. Registration forms and the business plan was invited to be sent at srijan@jagannathuniversity.org

WINNERS & AWARDS:

The Best Three Business Plans of the Competition were :

Winner- Team Brand Analyst (Mr. Joyal George and Mr Sarath .P. Nair) : Awarded with Certificate of Merit & Cash Prize of Rs. 5000.

SRIJAN

BUSINESS PLAN COMPETITION

Organized by

JU - IIC

in association with

FACULTY OF MANAGEMENT STUDIES

www.jagannathuniversity.org

ABOUT SRIJAN :

Jagannath University Institution Innovation Council in association with Faculty of Management studies is starting an annual series of Business Plan Contest - SRIJAN. This contest will give an opportunity to students for exploring and bringing forth their entrepreneurial skills by developing a business plan for a new product or service. A business plan is an important step towards starting a new venture -1) to create an effective strategy 2) to determine the future financial needs, and 3) to attract investors (including angel investors and VC funding) and lenders.

By participating in the competition, students will gain experience through:

- Identifying business opportunities, developing a business model and writing a formal business proposal.
- Performing market research and feasibility analysis using primary and/or secondary data.
- Developing communication and organizational skills.
- Working individually or as part of a team.

ELIGIBILITY

The competition is open to students of any University/Institute, full or part time, from both UG and PG Programs.

TEAM COMPOSITION

Students may participate as an individual or as a team; a team entry may consist of two to five eligible students.

BUSINESS PLAN SPECIFICS

1. The business venture should be original, appropriate and currently not in existence (new).
2. Text for the document should be double-spaced using Times New Roman 12-point font; no handwritten material of any sort will be accepted.
3. A margin of 1 inch should surround the text.
4. The main body of the business plan must be of maximum 5,000 words. This limit will be strictly enforced. Any entry exceeding the limit will be disqualified.
5. The document should include a title page, specifying the name of the business, the individual and/or team members.

The business plan should be framed under following sections:

- Description of idea and value proposition
- Internal and external environmental analysis
- Target market / Customer
- Marketing / Promotional plan
- Management team / Human resource needs
- Revenue model / Financial forecast
- Contingency plan
- Appendix (if required)

The business plan document may also include a maximum of five (5) pages of appendices, the purpose of which is to provide support for the assertions and conclusions expressed in the body of the business plan. This content is separate from the main text and will not count toward the word limit. Appendices should be numbered, titled, and appropriately referenced within the body of the document. Although teams may use this space as they see fit, appendices in reports commonly include elements such as:

- Financial statements
- Diagrams / Illustrations
- Itemization / categorization of key information
- Implementation timeline

IMPORTANT DATES

Date of Submission: Up to March 20, 2021

Date of Presentation: March 26, 2021

Entries must be received on and before March 15, 2021. Entries should include a registration form and Business Plan. Registration forms can be completed online by clicking the registration link. The file should be sent at srijan@jagannathuniversity.org and the heading in the email should read: "Business Plan Competition 2021 Entry."

Preliminary Round-

- All the B - Plans would be shared with the panel of judges to be evaluated on the criteria defined.
- The results of the Preliminary round will be communicated to the teams short listed for final round.

Final Round: March 26, 2021 -

- 10 best B - Plans selected in preliminary round would be given the opportunity for final presentation.

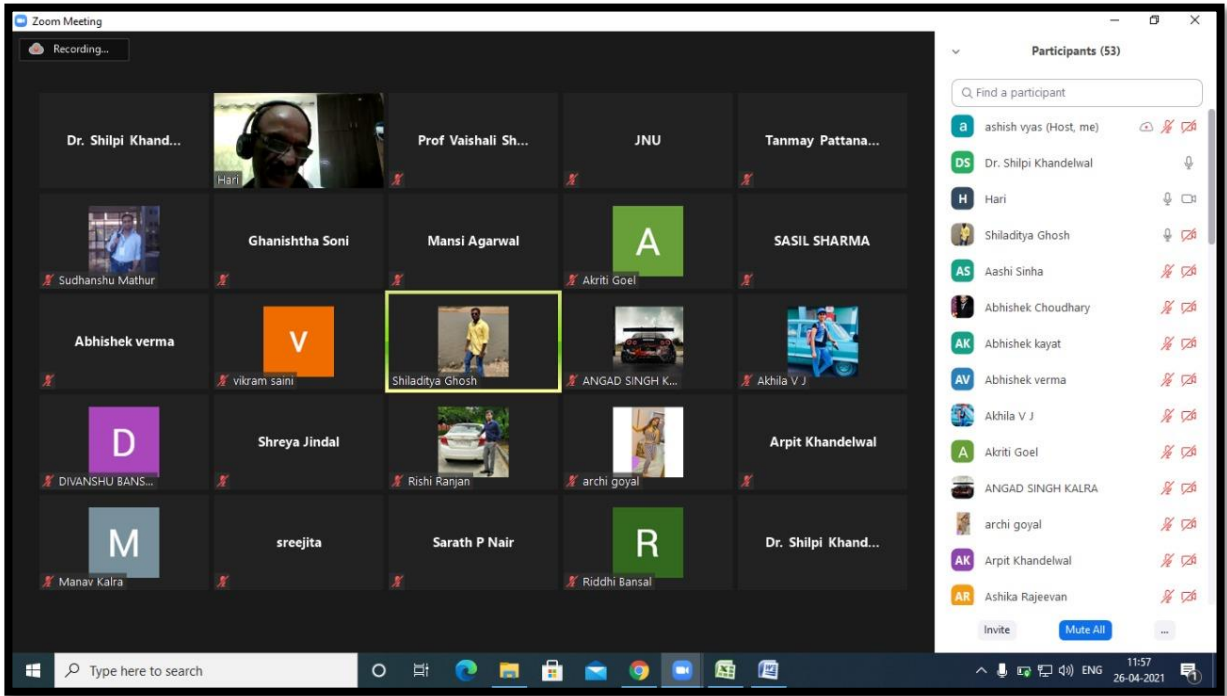

- Best three out of these 10 would be awarded with Cash Prizes.

JUDGING AND EVALUATION

The anonymity of the B-Plans will be ensured for fair judgement. Judges will evaluate these business plans on a score of 100. The evaluation parameters shall be following -

1. Evaluation criteria:

- Business idea and value proposition
- Internal and external analysis
- Target market / Customer analysis
- Revenue model / Financials
- Marketing / Promotional plan
- Contingency plan
- Viability / Feasibility

Brief Introduction of the Speaker:

The webinar invited **Mr. Nilanjan Mukherjee, DGM –HR, Relaxo India** as the lead speaker of the event.

Speaker Credentials :

Mr. Nilanjan Mukherjee is an alumnus of IIM Lucknow, holding EPHRM {from IIM-L}, Master of Philosophy {HR}, MBA {Dual Specialization: HR & Marketing}, LLB, PGDCA, G.N.I.I.T {Comp. Sc}, B.COM {Taxation}, Diploma in Labour Laws, Diploma in Quality Management. He is also N.E.L.T.S Qualified and I.R.D.A Certified .

Brief Proceedings of the Webinar:

The webinar was formally initialized with an overview of the importance of knowing the perspective of an HR Recruiter by Ms.Pooja Kudesia, Member In-Charge, CRMC Cell, FMS .The welcome address also presented a short overview of the job scenario in India .

Mr.Nilanjan Mukherjee, DGM-HR, Relaxo India : In his opening remarks, Mr Mukherjee presented upon the evolution of HR recruitment techniques in India .He emphasised on the impact of technology in HR recruitment and also gave real life examples from the industry. He enlightened the audience on the impact of artificial intelligence and increased use of bots by HR recruitment firms in order aide better selection. The session then proceeded to finer aspects of recruitment in terms of details required in resume and cover letter.

The speaker well advised the students on trade secrets which could help them in winning their dream job. He emphasized on 6 Cs : Credential, Caliber, Culture, Compensation, Commitment and Credibility which are crucial for a candidate success in the interview . He suggested that the students make thorough study of the company website in order to present themselves as the right candidates in the eyes of the recruiter . The session was concluded by the speaker with a wise advice on salary negotiation and do and don'ts for the freshers.

The webinar was moderated by **Ms. Pooja Kudesia, Member In-charge, CRMC Cell, Faculty of Management Studies.**

Key Take Aways for prospective candidates suggested by the Speaker :

- Prospective candidates must give attention to the resume. They should only write about those skills and experience which they can justify to the recruiter.
- A cover letter is equally important and should be enclosed with the resume.
- Prospective candidates must visit the website of the company before appearing for the interview
- They should be thorough with the product/service profile of the company, top management, history and turnover details
- Freshers should not opt for salary negotiation and should look for enrichment of their profile

The screenshot displays a Zoom meeting interface. At the top, a navigation bar lists participants: Gautam Kumar, Rakesh Kumar (highlighted in orange), Tarun Badiwal, SONU SAINI, and Shriya saxena. The main area features two video feeds: one for NILANJAN on the left and one for Alok Saxena on the right. A chat window is open in the center, showing a message from Shivani Thakur to Everyone: "thank you sir". The bottom toolbar includes controls for Unmute, Start Video, Security, Participants (70), Chat (16), Share Screen, Pause/Stop Recording, Reactions, and More. A red 'End' button is visible on the right. On the far right, a participant list is visible, showing names like Jagannath Unive..., Kumud Goyal, D Shubhakar, Deepika Patel, Alok Saxena, NILANJAN, A.Kratika counder, Aashish Kumar, Abhishek kayat, Ajay Kumar, Alok Pareek, Aman Parmar, and Anup pandey. The Windows taskbar at the bottom shows the time as 10:07 AM on 5/22/2021.

Fancy Dress Competition

As part of Jagannath University and being a part of education department we have arranged a “Fancy Dress Competition” .This competition was held on 22ND of May 21. Subordinator of the activity was Asst.Professor Mrs. Kumud goyal. She has encouraged students for participation and for creating intrest in them. Students have shown good participation and taken keen intrest and in last they have done it so well with lots of enthusiasm. We got lot number of participation as follows.

1. Kedar Gurjar
2. Devendra Kumar
3. Raj kumara
4. Kirodi Ram
5. Chanda Gurjar
6. Mridul Mishra
7. Ram Prajapati
8. Pooja Sajwan
9. Pinky soni
10. Pooja Kumawat
11. Hameer Singh Bhati
12. Sanju Regar
13. Sakshi Agarwal
14. Nitin Kumar
15. Ram Kesh Prajapati
16. Poonam Kanwar
17. Kamlesh Kumar Meena

After the discussion for the result, our education department has discussed well and come to an conclusion. So the result is :

First Position - Pooja Kumawat - As she has used news paper and playing cards in such a creative way which shows her creativity and enhance her beauty.

Second Position- Mridul Mishra - As he has done the role of DON .He has used his path an dress in such a beautiful way and shows impressive expression.

Third Position- Ramkesh Prajapati - He was dressed up like a Doctor and represent himself with full of confidence as a great warrior during this pandemic time.

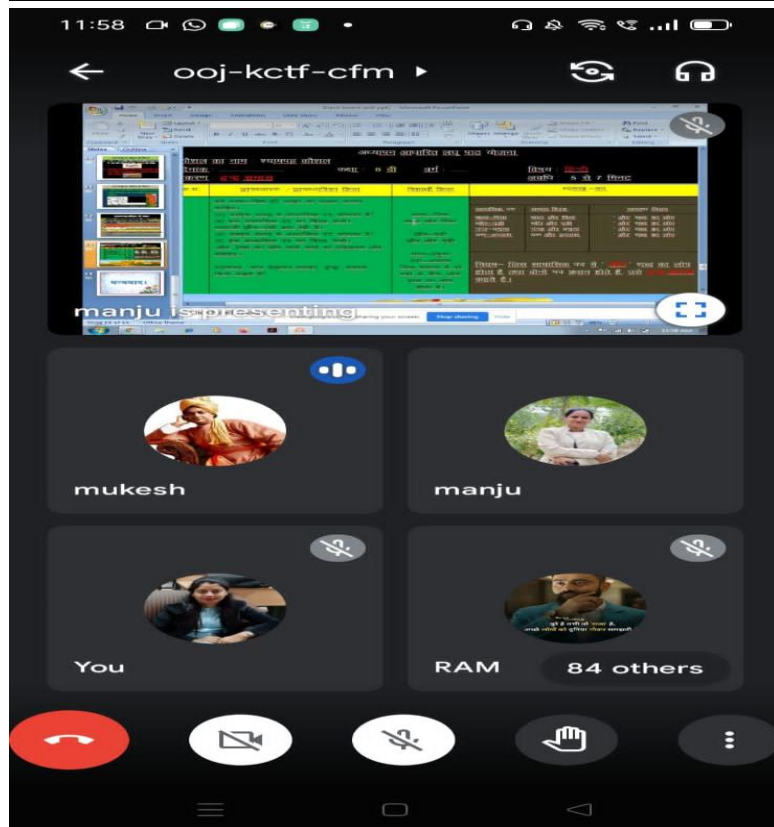

So in last I will conclude with my heartiest thanks that our HOD sir and Activity coordinator Miss Deepika Sharma has given us this opportunity to conduct this activity.

VI. LANDSCAPE AND HORTICULTURE ACTIVITIES

Officer Incharge : Mr. Ghanshaym Vyas

For Landscape & Horticulture activities the University has been divided into two phases. The first phase consists of Area around Administrative Building, Canteen, Football Ground, Boys Hostel1-2, Girls hostel -1 and four Academic Blocks A, B, C, D which includes Department of Law, Department of Management & Business Studies and President residence including the guest house and faculty residence-1.

The second phase includes the spacious Auditorium, Department of Engineering & Technology (E, F) Block, Boys Hostel – 3, University Central Library and Staff Residence -2 with a huge Cricket Stadium. Well-maintained lawns and hedges and flowerbeds in and around these buildings and hostels present an enviable sight for any visitor. Its landscape is appreciated by all as one of the best in Universities of the region. Growing the new ornamental plants of permanent and seasonal nature along with plantation of fruit trees is continuously carried out as per need and new design.

The main priority of the Horticultural Department is the beautification of the Campus. Cleaning the Campus of the unwanted vegetation i.e. weeds, developing new landscape is a regular feature. As many as about 10000 trees/plants of different varieties have been planted/replaced in the Campus. It is also added here that a special program for Greenery and its importance to our student and learners running by Eco-club of university. The department also manages a small nursery to cater the needs of Plants, Trees and Seasonal flower on the campus. In the field of gardening and landscaping a vocational skill program is also running for providing vocational skills to unskilled learners.

VII. PLACEMENT

The transition from university to professional life is a milestone! Student's imminent graduation and the search for first "real" job mark the beginning of a new and a significant stage in his life. The goal of job search should be to find a situation that supports onward progress in life, and where student feel appreciated and comfortable. In short, a job that student will find satisfying in all respects.

The Placement Cell plays a crucial role in locating job opportunities for Under Graduates and Post Graduates passing out from the University by keeping in touch with reputed firms and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies and students. The number of students placed through the campus interviews is continuously rising. On invitation, many reputed industries visited the institute to conduct interviews.

Placement Cell has been successful in maintaining high placement statistics over the years and the fact that the students bear the recession blues with record breaking placements itself is a testimony to our quality. The ingenious alumnae of University have set new standards in the corporate world through their estimable contributions.

The Placement Cell organizes career guidance programs for all the students starting from third year. The cell in coordination with Deans arranges training programs like Mock Interviews, Group Discussions and Communication Skills Workshop etc. It also invites HR Managers and technocrats from different industries to conduct training programs for final year students.

Placement of the students being done covering the maximum branches of the University courses operating. University is justifiably proving to provide the Placement assistance to the students of all Branches. The strong academic and Industrial linkages of the University in the corporate sector will further enhance the placements. University Alumni association has contributed to the placements of the students and in times to come it will become more productive and strong.

Many recruiters has visited the campus for recruitment of our students from 2019-20 batches. A few of them were as follows:

VIII. DEAN STUDENTS WELFARE

Convener : Dr. Ranjeeta Soni

In the development of a person, the environment and the people around the person have a great impact on his/her personality. Therefore, Jagannath University tries to provide its students with an academic excellent environment alongwith sports and cultural activities. The University provides facilities for sports and co-curricular activities.

The University has established Department of Students Welfare. The main objectives of the Department are to coordinate different activities of Sports, Cultural, and Literary Education as well as to increase the talent of the students.

The students actively participated in extra- curricular and sports programmes organized every year by the University. For the benefit and welfare of students, the Department of Students Welfare organized the following various activities in the University:

- *International Conference*
- *Plantation by students at home*
- *Fit India Movement*
- *Tree Plantation Day*
- *Teacher's Day*
- *Hindi Diwas*
- *Online sports E quiz*
- *Jan andolan campaign*
- *Vigilance Awareness Week*
- *Rastriya Ekta Diwas*
- *Constitution Day*
- *National Youth Day*
- *Republic Day*
- *National Cleanliness Day*
- *Road Saftey Week*
- *Matribhasha diwas*
- *International women's Day*
- *Dandi Yatra*
- *Parisha Pe Charcha, 2021*
- *Essay competition on freedom fighters*
- *Webinar on Women Safety*
- *World No Tobacco Day*
- *World Environment Day*
- *International Yoga Day*

Student Activities at a Glance

- **International Conference - May 24, 2020**

A one-day International Conference on Green Technology and Sustainable Development (ICGTSD-2020) was organized online on May 24, 2020 Jagannath University, Jaipur, Rajasthan. The conference addressed most of the important aspects and emerging trends of research in Green Technology and Sustainable Development, with specific aim to expose young minds in sustainable uses of natural resources. Total 1814 participants from all over the world registered for the conference. . Dr. Ashwani Pareek (Professor at JNU, New Delhi and Adjunct Professor at University of Western Australia, Australia) and Dr. Hazem M. Kalaji (Professor at Warsaw University of Life Sciences, Poland) were the keynote speakers of the conference. Prof. Ashwani Pareek described the importance of plant genetic engineering and molecular biology in sustainable uses of bioresources through In the keynote address of session-1 on '*Are we able to feed 9 billions*' Session-II of the conference was started by the keynote address of Prof. Hazem M. Kalaji (Poland) on '*Chlorophyll fluorescence as a guide for stress physiology*' Dr. Vineet Soni (Associate Professor of Botany, MLSU, Udaipur, Rajasthan) on '*Manipulating photosynthesis for sustainable development*. Dr. Soni focused recent trends in photosynthesis research and messaged to plant biologists to use '*Lab-to Land*' approach for sustainable development. Total 137 abstracts were received and screened by the subject experts on the basis of their scientific quality and relation with the theme of the conference. Three young biologists were also honored with '*Best Researcher Award*' for their excellent presentation in the conference.

She briefs all steps of yoga with their feasibility and their benefits.

IX. STRATEGIC PLAN

SHORT-TERM PLAN (One-year Plan– upto June, 2019)

1. Curricular Aspects

- Planning and implementation of Outcome Based Education.
- Identify potential industrial partners to offer internship/employment to University graduates.
- Introduce generic and program-specific value added courses in various disciplines.
- Ensure effective feedback mechanism through participation of all stakeholders.

2. Teaching-Learning and Evaluation

- Review enrolment statistics and identify gap areas.
- Embed use of ICT in teaching-learning process.
- Initiate IT Integration & reforms in examination procedure and processes.

3. Research, Innovations and Extension

- Review the research policy to make it more comprehensive for promoting research culture not only for faculty but within students as well.
- Sensitization and support activities for sponsored research projects and consultancy
- Promotion and support for IPR related activities.
- Continue practices in extension and outreach activities.

4. Strengthen Academic Infrastructure to Facilitate Quality Education

- Augmentation of physical facilities in the campus.
- Enrichment of library and various digital learning resources.
- Enhance sustainable and eco-friendly campus initiatives.

5. Student Support and Progression

- Development of an all-inclusive policy towards promoting a student friendly and student owned campus.
- Enhance student participation and developmental aspects.
- Engagement of alumni in developmental activities.

6. Governance, Leadership and Management

- Creation of pathway towards good governance and leadership.
- Preparation and deployment of perspective plan.
- Performance audit of the departments.
- Monitoring expenses as per budget planning.

7. Institutional Values and Best Practices

- Sensitization of students and staff for gender and social equality.
- Sensitization of students for human values and professional ethics.
- Promotion of holistic eco-system for global competencies.

MEDIUM-TERM PLAN (JULY 2018 TO JUNE 2021)

1. Curricular Aspects

1.1 Create a sustainable culture focused on Outcome Based Education

- + Outcome Based Assessment Plan and its phase wise implementation for each program to be implemented
- + Integration of skill education component in each program curricula

1.2 Focus on developing students' skills and competencies to enhance employability.

- + Introduction of generic and program-specific value added courses in various disciplines.
- + Collaboration with potential industrial partners to offer internship/employment to University graduates.
- + A fully functional counselling cell to support students for progression and employability.

1.3 Strengthen feedback system for curriculum review and development

- + Development of 360-degree feedback mechanism from various stakeholders.

2. Teaching-Learning and Evaluation

2.1 Student Enrolment and Diversity

- + Assessment of enrolment statistics across disciplines and identification of gap areas.
- + Reformation of initiatives to cater to student diversity.

2.2 Focus on Student Centric Methods for Enhancing Learning Experience

- + Make Teaching Learning process effective by implementing OBE
- + Access to online learning
- + Implementation of blended mode of learning by effective use of ICT and digital learning resources.
- + Facilitate integration of research and inquiry into curriculum through projects/dissertations or independent research study

2.3 Teaching and Learning

- + Development of structured mechanism for attainment of performance outcome of students.
- + Augmentation of initiatives in teaching-learning process by use of ICT.
- + Develop e-learning content
- + Mentor on academic, career & higher educational opportunities

2.4 Evaluation Process Reforms

- + Update grievance redressal system
- + IT integration and reforms in examination procedures and process
- + Question bank updation

3. Research, Innovations and Extension

3.1 Research Capacity Building

- ✚ Enhance research facilities for promoting research culture among students and faculty.
- ✚ Sensitization and support activities for uplifting research capacities/infrastructure.
- ✚ Start Research Journal of the University

3.2 Build productive and mutually beneficial sustainable research collaborations

- ✚ Identification of research areas based on University expertise.
- ✚ Fund raising through projects - Apply for Government/ industry sponsored projects

3.3 Enhance quality of research publications and promote patenting

- ✚ Increase number of Research Publications per faculty in UGC CARE, SCOPUS indexed journals as well as improve h-index of University
- ✚ Promotion and support for IPR related activities.

3.4 Enhance Extension and Outreach Activities

- ✚ Continuation of the best practices in extension activities and preparation of comprehensive roadmap for future.

4. Infrastructure and Learning Resources

4.1 Strengthen academic infrastructure to facilitate quality education

- ✚ Augmentation of physical facilities in the campus i.e. Smart Class rooms, State of the art Laboratory & equipment, E-Learning facilities etc.
- ✚ Enrichment of library and various digital learning resources.
- ✚ Resources automation & Access (24X 7)
- ✚ Learning Management System
- ✚ Use of ICT for 360-degree Feedback.

4.2 Sustainable and eco-friendly initiatives

- ✚ Plantation drives, Rain water harvesting; Renewable Energy management; Hygiene, solid waste management
- ✚ Phase wise implementation for Plastic Free Campus (towards zero plastic usage)

5. Student Support and Progression

5.1 Focus on progressive academic processes

- ✚ Enhance student centric academic culture.
- ✚ Robust student support mechanism
- ✚ Capacity building initiatives

5.2 Strengthen Student participation and developmental aspects

- ✚ Development of an all-inclusive policy towards promoting a student friendly and student owned campus
- ✚ Formation of student council
- ✚ Student's representation in various committees
- ✚ Participation in social and welfare activities

5.3 Develop progression opportunities for students and faculty

- ✚ Establishment of a sound mechanism to ensure a progressive career plan for every student.
- ✚ Enhance Trainings & Placement Activities

5.4 Enhance Employability and Entrepreneurial Capabilities among students

- ✚ Workshops, guest lectures, corporate interactions, seminars etc. to connect students with industry
- ✚ Organise Entrepreneurship Awareness camps
- ✚ MoUs with industry for placement, internships, projects etc.

5.5 Alumni Association, relationships and leveraging

- ✚ Engagement of alumni in developmental activities.
- ✚ Strengthening of financial contribution from alumni for academic augmentation.

6. Governance, Leadership and Management

6.1 Articulation of Vision, Mission and well defined Institutional goals

- ✚ Preparation and deployment of perspective plan
- ✚ Institutional strategic goals setting
- ✚ Well defined Quality policy
- ✚ Institutional performance and benchmarking

6.2 Ensuring good governance and leadership development by establishing transparent, fair and accountable systems

- ✚ Update organization structure for smooth decision making processes.
- ✚ Service conduct rules and necessary policy/regulation/ guidelines formulation for efficient and effective working of various committees
- ✚ Update Grievance Redressal mechanism for both staff and students.
- ✚ Establishing fair and transparent performance appraisal system
- ✚ Leadership development through decentralization

6.3 Financial Planning and resource mobilization

- ✚ Budget formulation and monitoring expenses as per planning
- ✚ Identification of sources of finance and their effective utilization.
- ✚ Timely Periodic Audit (Internal /External)

6.4 Implementing and monitoring the Quality Management Systems

- ✚ Establish formal mechanism for quality assurance and monitor performance
- ✚ Establishing internal audit committee for regulatory compliance
- ✚ Performance Audit of the departments
- ✚ Empowerment of teaching and administrative staff through professional development activities.

7. Institutional Values and Best Practices

7.1 Initiatives for Gender and Social Equity

- ✚ Sensitization of students and staff for gender and social equality.
- ✚ Conducting awareness camps

7.2 Promotion of environmental consciousness and sustainability

- ✚ Promote awareness for environmental consciousness and sustainability.
- ✚ Explore & provide support for the execution of projects
- ✚ Green Audit

7.3 Initiatives for enrichment of human values and conscience of ethics

- ✚ Sensitization of students for human values and professional ethics.
- ✚ Ensure 100% students provided education through courses of –
 - Human Values
 - Environment Studies
 - Ethics

7.4 Promotion of holistic eco system for global competencies.

- ✚ Promoting culture of excellence among students and faculty.
- ✚ Explore possibilities for Twinning programmes with leading universities abroad

LONG-TERM PLAN (July 2018 to June 2025)

1. Curricular Aspects

- Based on survey and success of pilot projects introduction of new programs.
- Identification of market opportunities to support entrepreneurial acumen and excellence.
- Identification of industries to start joint academic programs to address national/global demands.
- Blending skill, entrepreneurship and capacity building in curricular aspects.

2. Teaching-Learning and Evaluation

- Refinement and progression in enhancing student enrolment.
- Student centric academic environment.
- Strengthening teaching pedagogies in the light of implementation of NEP.

- Reformation through analysis of evaluation processes and measurement of learning outcomes.
- Continuous refinement in teaching learning process based on rigorous analysis of feedback.
- Training students in generic and life skills to enhance employability.

3. Research, Innovations and Extension

- Augmentation and promotion of societal research.
- Augmentation and promotion of industrial research.
- Development of an Innovation Ecosystem and incubation/start-up activities.
- Establishment of Centers of Excellence (COEs).
- Creation of community responsive campus.

4. Infrastructure and Learning Resources

- Creation of modernized physical facilities at campus.
- Creation of state-of-the-art technical facilities for teaching, research and outreach activities.
- Creation of e-resources and extension for learning horizon.

5. Student Support and Progression

- Provision for special students support system.
- Promoting competitiveness and research aptitude among undergraduate and postgraduate students.
- Enrichment of student centric activities.
- Strengthening career counseling and placement activities.

6. Governance, Leadership and Management

- Creation of brand equity model in higher education.
- Promotion of quality culture through modern learning technologies and delivery mechanism.
- Inclusive Management and developing a sense of ownership and pride among stakeholders.

7. Institutional Values and Best Practices

- Practicing initiatives of gender and social equity, social awareness for empowerment of women and socially disadvantaged groups.
- Practicing environmental consciousness and sustainability initiatives for ensuring clean and pollution free environment.
- Practicing human values and professional ethics initiatives for creation of universal values and integrity among all stake-holders of the University.
- Inculcating a culture of excellence among students and faculty.
- Developing holistic eco-system for global competencies among youth to face challenges of new economy.

X. INITIATIVE TOWARDS IMPLEMENTATION OF NATIONAL EDUCATION POLICY (NEP)

Initiative taken by the University towards implementation of New Education Policy

1. Implementation of CBCS Scheme in all programmes offered by the University.
2. Well defined Transfer of Credit Policy to allow mobility to students.
3. Implementation of B.Sc Paramedical Programmes in modular form wherein students are allowed to take exit after second, third and fourth year. They become eligible for award of Advanced Diploma after second year, B.Sc Degree after third Year and B.Sc (Hons.) Degree after fourth year.
4. Strengthening of the implementation of MOOCs, Coursera courses for all the students in all the programmes.
5. Establishment of Skill Development Centre supported by NSDC
6. Creation of Faculty of Humanities and Liberal Education. Two Programmes i.e. BA Liberal and B.Sc Liberal Education have been introduced from the session 2021-22.
7. Establishment of Institutional Innovation Cell (IIC) which focuses of building innovation and credibility of ico-system in the University. This centre involves the following four verticals:
 - Agri Incubator (with thrust to rural development)
 - Design and Prototype Development Facilities
 - Skill Development
 - Entrepreneurship Development
8. Nurturing relationship with industry for various programmes including Department in Allied & Health Science, Physiotherapy, Agriculture, etc.
9. Implementation of Outcome Based Education in all programmes.

The University is further planning to take initiatives towards multidisciplinary and holistic approach to education, integration into all the UG /PG programmes and making extensive use of technology in delivery of the programme.

XI. PROPOSED PROGRAMS DURING THE SESSION 2021-22

Proposed Faculties/Departments in 2021-22

- **Faculty of Humanities and Liberal Arts**
 - ✓ BA – Liberal Education
 - ✓ B.Sc. Liberal Education
- **Department of Allied Health Sciences**
 - ✓ B.Sc. Medical Lab Technology
 - ✓ B.Sc. Advance Care Paramedics
 - ✓ B.Sc. Physician Associates
 - ✓ B.Sc. Dialysis Therapy Technology
 - ✓ B.Sc. Radiology and Imaging
 - ✓ B.Sc. Anesthesia & Operation Theatre Technology
 - ✓ BA Community Health Services
- **Department of Library and Information Science**
 - ✓ Diploma
 - ✓ Degree
 - ✓ PG
